TANDBERG MXP

Video Endpoints

Thank you for choosing TANDBERG. TANDBERG video conferencing offers the natural communication experience of a face-to-face meeting in ways that other technologies cannot.

Your TANDBERG MXP video endpoint has been designed to give you many years of safe, reliable operation.

This user guide has been divided into several chapters, all of which provide different information. You can access the chapters directly by clicking on the menu bar at the top of this page.

You will find that some pieces of information has been copied from other chapters but adjusted, when needed, to let you have all the relevant information there and then. This helps eliminating the need to read through long paragraphs before you can even think of getting started.

Our main objective with this user guide was to address your goals and needs. Please let us know how well we succeeded!
