

How to Write a Target Market Analysis?

It is important to remember that there are steps that can guide you to write your analysis. You need to start your market segmentation for your analysis.

Who Do You Want to Target?

You need to have a marketing plan. Study your product first. What are the features of your products? Who are the people who can use your product?

Geographics

This is important in order for you to check if your products are accessible to them or if they need your product catalog based on their locations.

Demographics

Demographics is a study and research of a group of people or populations through characteristics. You can start here.

Psychographics

This is more into asking why customers behave the way they do, why they stop going to a certain store, and other whys.

Analyze Your Data

Once you have gathered the data of your customers, you can now start analyzing. You can recognize similarities and dissimilarities in the data.

Decision

Make sure that your target market can afford your products. Evaluate how your target market can reach you. Are your products accessible to this audience?
