Shattered Duty Katie Reus,2015-06-02 A new novel from the author of Bound to Danger who has the amazing ability of pulling the reader onto the front lines of the action and drama The Reading Caf When his wife was murdered two years ago Special Agent Levi Lazaro turned his back on everything he cared about Ever since he has thought of nothing but vengeance Now he s finally uncovered the identities of those who killed his wife and he s ready to destroy them at any cost He won t let anything stand in his way not even a beautiful NSA agent on a mission of her own Special Agent Selene Wolfe prides herself on being the best Her fearlessness and quick thinking make her the perfect person to take down a deadly terrorist cell But she needs Levi s help and the moment he shows up Selene knows her objectivity and her heart are in trouble As the two strike an uneasy alliance Levi finds himself tormented by his desire for Selene a feeling he thought long dead But when their mission takes an unexpected turn he finds himself at a crossroads Can he put aside his need for revenge to save the woman who s reawakened his soul

Cultural Politics of Targeted Killing Kyle Grayson,2016-07-15 The deployment of remotely piloted air platforms RPAs or drones has become a defining feature of contemporary counter insurgency operations Scholarly analysis and public debate has primarily focused on two issues the legality of targeted killing and whether the practice is effective at disrupting insurgency networks and the intensive media and activist scrutiny of the policy processes through which targeted killing decisions have been made While contributing to these ongoing discussions this book aims to determine how targeted killing has become possible in contemporary counter insurgency operations undertaken by liberal regimes Each chapter is oriented around a problematisation that has shaped the cultural politics of the targeted killing assemblage Grayson argues that in order to understand how specific forms of violence become prevalent it is important to determine how problematisations that enable them are shaped by a politico cultural system in which culture operates in conjunction with technological economic governmental and geostrategic elements The book also demonstrates that the actors involved what they may be attempting to achieve through the deployment of this form of violence how they attempt to achieve it and where they attempt to achieve it are also shaped by culture The book demonstrates how the current social relations prevalent in liberal societies contain the potential for targeted killing as a normal rather than extraordinary practice It will be of great use for academic specialists and graduate students in international studies geography sociology cultural studies and legal studies

Highway Safety Research Agenda: Infrastructure and Operations
Charles V. Zegeer, 2013
TRB's National Cooperative Highway Research Program NCHRP 756
Highway Safety Research Agenda
Infrastructure and Operations develops a proposed agenda of prioritized safety research needs in the area of highway infrastructure and operations. The report provides options to the U.S. transportation community on how to direct research to the areas where it can provide the most benefit. The agenda is based on a prioritization methodology developed by the research team, which can be applied on a recurring basis to update the agenda over time. Both the agenda and the methodology documented in this report will assist government officials, private sector employees, and academics with managing highway safety research. In addition to the report, 16 unpublished appendices (Appendices A, O, and R) have been made available electronically.
