Tatort Germany Lynn M. Kutch, Todd Herzog, 2014 New essays by leading scholars examining today's vibrant and innovative German crime fiction along with its historical background Although George Bernard Shaw quipped that the Germans lack talent for two things revolution and crime novels there is a long tradition of German crime fiction it simply hasn't aligned itself with international trends During the 1920s German language writers dispensed with the detective and focused instead on criminals a trend that did not take hold in other countries until after 1945 by which time Germany had gone on to produce antidetective novels that were similarly ahead of their time German crime fiction has thus always been a curious case rather than follow the established rules of the genre it has always been interested in examining breaking and ultimately rewriting those rules This book assembles leading international scholars to examine today's German crime fiction It features innovative scholarly work that matches the innovativeness of the genre taking up the Regionalkrimi crime fiction's reimagining and transforming of traditional identities historical crime fiction that examines Germany's and Austria's conflicted twentieth century past and how the newly vibrant Austrian crime fiction ties in with and differentiates itself from its German counterpart Contributors Angelika Baier Carol Anne Costabile Heming Kyle Frackman Sascha Gerhards Heike Henderson Susanne C Knittel Anita McChesney Traci S O'Brien Jon Sherman Faye Stewart Magdalena Walig rska Lynn M Kutch is Professor of German at Kutztown University of Pennsylvania Todd Herzog is Professor and Head of the Department of German Studies at the University of Cincinnati

Tatort Germany Lynn M. Kutch, 2018-03 New essays by leading scholars examining today's vibrant and innovative German crime fiction along with its historical background *Taking Stock of German Studies in the United States* Rachel J. Halverson, Carol Anne Costabile-Heming, 2015 Despite cuts in the past decade enrollments in US German programs have increased modestly a fact that surely has to do with the importance of Germany and its language on the world stage The contributors to this volume examine the factors shaping German language study in the new millennium highlighting how creative innovative inspired approaches have allowed German to weather many of its challenges The volume will be of interest to scholars teachers and students of German who are committed to invigorating its study in the United States

Transnationalism in Contemporary German-language Literature German Studies Association. Conference, 2015 Investigates the concept of transnationalism and its significance in and for German language literature and culture

National Stereotyping, Identity Politics, European Crises, 2021-05-17 The articulation of collective identity by means of a stereotyped repertoire of exclusionary characterizations of Self and Other is one of the longest standing literary traditions in Europe and as such has become part of a global modernity Recently this discourse of Othering and national stereotyping has gained fresh political virulence as a result of the rise of Identity Politics What is more this newly politicized self other discourse has affected Europe itself as that continent has been weathering a series of economic and political crises in recent years The present volume traces the conjunction between cultural and literary

traditions and contemporary ideologies during the crisis of European multilateralism Contributors Aelita Ambrulevičiūtė Jürgen Barkhoff Stefan Berger Zrinka Blažević Daniel Carey Ana María Fraile Wulf Kansteiner Joep Leerssen Hercules Millas Zenonas Norkus Aidan O'Malley Raúl Sánchez Prieto Karelíma Luc Van Doorslaer Ruth Wodak *Arts & Humanities Citation Index*, 1997 *Studies in German Literature, Linguistics, and Culture*, 1984 *Historical Abstracts*, 1997 **Studies in German Literature, Linguistics, and Culture. Literary Criticism in Perspective**, **Introductory Studies in German Literature** Richard Hochdoerfer, 1904 *Cultural Exchange in German Literature* Eleoma Joshua, Robert Vilain, 2007 The influence of foreign cultures on German literature and other cultural productions since the 18th century The Edinburgh German Yearbook is devoted to German Studies in an international context It publishes original English and German language contributions on a wide range of topics from scholars around the world Each volume is based on a single broad theme the first includes papers from the highly successful conference Kennst du das Land Cultural Exchange in German Literature held in Edinburgh in December 2006 supplemented by additional essays The conviction that German culture and the German spirit are triumphantly unique has played a notorious role in Germany's history It is nonetheless acknowledged that German literature has been significantly influenced by non German sources and the search for what is unique about Germany and German literature must incorporate an awareness of these This volume provides a wide ranging investigation into how German literature from the 18th century to the present day reflects interactions between German and non German cultures Alongside theoretical and historical reflections on the nature of cultural exchange contributions explore literary reception the boundaries of and movement between cultures and Germany's literary political cultural and religious relations with both near neighbors and far flung cultural interlocutors Contributors Christian Moser Birgit Tautz Silvia Horsch Eleoma Joshua Gaudi Kristmannsson Sabine Wilke Daniela Krümer Jon Hughes Thomas Martinec Margaret Litter Lyn Marven Dirk Göttsche Susanne Kord Eleoma Joshua is Lecturer in German at Edinburgh University Robert Vilain is Professor of German and Comparative Literature at Royal Holloway University of London The journal's General Editor is Sarah Colvin Professor of German at Edinburgh University **The Beginnings of German Literature** Cyril W. Edwards, 2002 A study of the breakthrough of the Germanic vernacular dialects into the realm of written language between the eighth and tenth centuries For the German speaking peoples under the Carolingians c AD 750-950 the dominant literary tongue was Latin the lingua franca of the Christian West Before the eighth century only isolated words legal terms and proper names from the vernacular dialects had found their way into manuscripts Cyril Edwards's collection of essays examines the breakthrough into literacy of the dialects known collectively as Old High German in the south and Old Saxon in the north In an introductory essay Edwards surveys the recording and survival of the earliest continuous German texts This leads into seven essays each inspired by a fresh look at the manuscripts Two are concerned with the Wessobrunn Prayer the earliest religious poem in German A third looks at the destructive application of acids to medieval manuscripts in an attempt to read barely legible

letters it concentrates upon the Hildebrandslied the only surviving Old High German heroic lay and the ninth century eschatological poem the Muspilli Two studies are devoted to the Merseburg Charms pagan survivals in a Christian manuscript invoking gods familiar from the Old Norse pantheon A study of the earliest traces of the love lyric follows poems that slipped through the net of censorship imposed by the Christian church A final essay is concerned with the Ossian of the period an ingenious forgery that was a cause célèbre in the nineteenth century the Old High German Lullaby Cyril Edwards is a Lecturer in German at St Peter's College Oxford and an Honorary Research Fellow of University College London He has published numerous articles on medieval German literature and co edited a book on the medieval German lyric He is currently preparing a new translation of Wolfram von Eschenbach's Parzival and Titurel

The German Legacy in East Central Europe as Recorded in Recent German-language Literature Valentina Glajar, 2004 Valentina Glajar investigates these narratives as representations of multicultural East Central Europe in German language literature that show the political and ethnic tensions between Germans and local peoples that marked these regions throughout the twentieth century often with tragic consequences The study thus expands and diversifies the understanding of German literature and challenges the concept of a homogeneous German identity reaching far beyond the borders of the German speaking countries
