For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Retailer or the appointed service representative.

IMPORTANT: The provisions or any of this manual or any sub-label or film does not constitute authorization, certification or recognition of any applicable technical regulations, or establish a privileged agent relationship of any kind.

The data provided is believed to be accurate and applicable to the units indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously working to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to retrofit. Should any discrepancy appear to arise, please contact the distributor's Service Division.
