SERVICE MANUAL

IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel. It has been assumed that basic service procedures inherent to the industry, and more specifically YAMAHA Products, are already known and understood by the user, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components and failure of the product to perform as specified. For these reasons, no advice or YAMAHA product owner that all service required should be performed by an authorized YAMAHA Dealer or the approved service representative.

IMPORTANT: The presentation of data of this manual in any language or form does not constitute authorization, certification, or recognition of any applicable technical capabilities, or establish a principal-agent relationship of any form.

The data provided is believed to be accurate and applicable to the model(s) indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously working to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to users. Should any discrepancy appear in this, please contact the distributor Service Division.

WARNING: Static Discharge can destroy expensive components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground floor in the unit. Every year. Mark when exposed to this hazard.

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Disconnect all leads before you apply power to the unit.
