[Women of the Mafia](#) Felia Allum, 2024-07-15 Winner of the International Association for the Study of Organized Crime Book Award Women of the Mafia dives into the Neapolitan criminal underworld of the Camorra as seen and lived by the women who inhabit it It tells their life stories and unpacks the gender dynamics by examining their participation as active agents in the organization as leaders managers foot soldiers and enablers Felia Allum shows that these women are true partners in crime The author offers an innovative interdisciplinary analysis that demystifies the notion that the Camorra is a sexist male centric organization She links her analysis of Camorra culture within the wider Neapolitan context to show how mothers and women act and are treated in the private sphere of the household and how the family helps explain the power women have found in the Neapolitan Camorra It is civil society and law enforcement agencies that continue to see the Camorra using traditional gender assumptions which

render women irrelevant and lacking independent agency in the criminal underworld In *Women of the Mafia* Allum debunks these assumptions by revealing the power and influence of women in the Camorra
