Hofer,2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector s guide with pricing included and a retrospective view of the medium *Television Variety Shows* David M. Inman,2014-12-03 For the few hundred television viewers in 1946 a special treat on the broadcast schedule was the variety show called Hour Glass It was the first TV program to go beyond talking heads cooking demonstrations and sporting events featuring instead dancers comics singers and long commercials for its sponsor Chase and Sanborn coffee Within two years another variety show Texaco Star Theatre became the first true television hit and would be credited with the sales of thousands of television sets The variety show formula was

a staple of television in its first 30 years in part because it lent itself to a medium where everything had to be live and preferably inside a studio Most of the early television stars including Jackie Gleason Milton Berle Sid Caesar Ed Sullivan Red Skelton Dinah Shore and Arthur Godfrey rose to prominence through weekly variety shows In the 1960s major stars such as Jerry Lewis Dean Martin Judy Garland and Danny Kaye were hosting variety shows By the 1970s the format was giving way to sitcoms and dramas but pop music stars Sonny and Cher Tony Orlando and Dawn and Donny and Marie Osmond hosted some of the last of the species This book details 57 variety shows from the 1940s through the 1990s A history of each show is first provided followed by a brief look at each episode Air date guest stars sketches performed and a listing of songs featured are included **TV Guide** ,2005 Films and Filming ,1987 *Television Westerns Episode Guide* Harris M. Lentz,1997 Since Hopalong Cassidy and the Lone Ranger blazed their first trails on television in 1949 Westerns have been the genre of choice for 180 series Some Gunsmoke Bonanza and Maverick for example were classics others such as 26 Men and Shotgun Slade were quickly forgotten From Adventures of Briscoe County through Zorro and Son this comprehensive reference work covers all 180 Western series Each entry opens with a listing of the broadcast history of the series including original network day and time This is followed by a listing of the regular cast members and a brief premise of the series The individual episodes are then covered with the title original air date leading guest stars and a brief synopsis given An exhaustive index completes the work *America Toons In* David Perlmutter,2014-03-13 Animation has been part of television since the start of the medium but it has rarely received unbiased recognition from media scholars More often it has been ridiculed for supposedly poor technical quality accused of trafficking in violence aimed at children and neglected for indulging in vulgar behavior These accusations are often made categorically out of prejudice or ignorance with little attempt to understand the importance of each program on its own terms This book takes a serious look at the whole genre of television animation from the early themes and practices through the evolution of the art to the present day Examining the productions of individual studios and producers the author establishes a means of understanding their work in new ways at the same time discussing the ways in which the genre has often been unfairly marginalized by critics and how especially in recent years producers have both challenged and embraced this marginality as a vital part of their work By taking seriously something often thought to be frivolous the book provides a framework for understanding the persistent presence of television animation in the American media and how surprisingly influential it has been *Seinfeld Secrets* Dennis Bjorklund,2023-10-02 Seinfeld Secrets 1500 Fun Facts About the Show is written by an authoritative expert who penned the most comprehensive reference book ever written on the series Seinfeld Reference The Complete Encyclopedia The follow up effort Seinfeld Fun Facts is the best source for insider facts and never before revealed tidbits about the sitcom once voted the Greatest TV Series of All Time by TV Guide This type of thoroughness cannot be found anywhere else in the entire Seinfeld Universe The first section provides insider information about the creators cast regulars supporting actors and guest actors as well as cast stand ins

crew members show extras and even famous actors who auditioned for roles in the immensely popular show The second section discusses little known facts about the series including behind the scenes activities casting directing writing and so much more The final section recounts numerous secrets behind the making of Seinfeld Every episode has a history and many contain a few skeletons in the closet The little known facts encompass an episode summary plot creation when personal experience influenced a show ad libbed lines how scenes developed and evolved when actors impacted the creative process and even the lost episode that was written and rehearsed but never filmed There are over 1600 fun facts about the show that are sure to amaze and mystify the most inquisitive Seinfeld fan Seinfeld Secrets is an essential book for every fan of the show It is a great conversation starter and readers are sure to impress friends and family with nuggets of insider information that most Seinfeld fans do not know Photos included
