The Management Shift V.

Hlupic, 2014-10-29 Research shows that corporate life expectancy and performance have declined 75% in the last 50 years organizations need a different approach if they are to survive let alone thrive While people are often stated as a company's greatest asset few businesses have a clear model of leadership that improves engagement removes barriers to innovation and uncovers hidden strengths in people and the organization This book addresses that need and more importantly demonstrates HOW organizations can make The Management Shift to a new way of thinking and working Professor Hlupic argues that organizations now need to adopt a leadership style that focuses on people purpose and knowledge sharing creating new types of value and ultimately improving innovation and engagement leading to improved business Based on leading edge research supported by numerous case studies which demonstrate the power and impact of change The Management Shift offers managers a practical and systemic approach to diagnose leadership issues in their organization It then provides an

implementation process to shift their mindset and organizational culture to the new level of thinking performance and ultimately business success **Proceedings of the 14th European Conference on Knowledge Management** Brigita Janiūnaitė, Asta Pundziene, Monika Petraite, 2013-01-09 The University of Jyväskylä is proud to welcome the 12th edition of the European Conference in Cyber Warfare to Jyväskylä We intend to make this event as enjoyable as possible both on scientific and human aspects As in previous years ECCWS will address elements of both theory and practice of all aspects of Information Warfare and Security and offers an opportunity for academics practitioners and consultants involved in these areas to come together and exchange ideas We also wish to attract operational papers dealing with the critical issue that the modern world has to face regarding the evolution of cyberwarfare capabilities development by nation states The programme for the event promises an extensive range of peer reviewed papers networking opportunities and presentations from leaders in the field
