Orange Coast Magazine, 1979-02 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle **The Prodigal Tongue** Mark Abley, 2008 The wild wacky and

sometimes baffling road of the English language and its astonishing evolution is the subject of this evocative and thoughtful yet always lively book for anyone who cherishes the words they use *Building School 2.0* Chris Lehmann, Zac Chase, 2015-07-31 Ninety five propositions for creating more relevant more caring schools There is a growing desire to reexamine education and learning Educators use the phrase school 2 0 to think about what schools will look like in the future Moving beyond a basic examination of using technology for classroom instruction Building School 2 0 How to Create the Schools We Need is a larger discussion of how education learning and our physical school spaces can and should change because of the changing nature of our lives brought on by these technologies Well known for their work in creating Science

Leadership Academy SLA a technology rich collaborative learner centric school in Philadelphia founding principal Chris Lehmann and former SLA teacher Zac Chase are uniquely qualified to write about changing how we educate The best strategies they contend enable networked learning that allows research creativity communication and collaboration to help prepare students to be functional citizens within a modern society Their model includes discussions of the following key concepts Technology must be ubiquitous necessary and invisible Classrooms must be learner centric and use backwards design principles Good technology can be better than new technology Teachers must serve as mentors and bring real world experiences to students Each section of Building School 2.0 presents a thesis designed to help educators and administrators to examine specific practices in their schools and to then take their conclusions from theory to practice Collectively the theses represent a new vision of school built off of the best of what has come before us but with an eye toward a future we cannot fully imagine

Harper Lee's To Kill a Mockingbird Michael J. Meyer, 2010-10-14 In 1960 To Kill a Mockingbird was published to critical acclaim To commemorate To Kill a Mockingbird's 50th anniversary Michael J Meyer has assembled a collection of new essays that celebrate this enduring work of American literature These essays approach the novel from educational legal social and thematic perspectives Harper Lee's only novel won the Pulitzer Prize and was transformed into a beloved film starring Gregory Peck as Atticus Finch An American classic that frequently appears in middle school and high school curriculums the novel has been subjected to criticism for its subject matter and language Still relevant and meaningful To Kill a Mockingbird has nonetheless been underappreciated by many critics There are few books that address Lee's novel's contribution to the American canon and still fewer that offer insights that can be used by teachers and by students These essays suggest that author Harper Lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today Intended for high school and undergraduate usage as well as for teachers planning to use To Kill a Mockingbird in their classrooms this collection will be a valuable resource for all teachers of American literature

Call Me Anna Patty Duke, 2011-04-13 The public saw her as a gifted child star the youngest actor to win an Oscar for her role as Helen Keller in The Miracle Worker and the youngest actor to have a prime time television series bearing her own name The Nightmare What the public did not see was Anna Marie Duke a young girl whose life changed forever at age seven when tyrannical managers stripped her of nearly all that was familiar beginning with her name She was deprived of family and friends Her every word was programmed her every action monitored and criticized She was fed liquor and prescription drugs taught to lie to get work and relentlessly drilled to win roles The Legend Out of this nightmare emerged Patty Duke a show business legend still searching for the child Anna She won three Emmy Awards and divorced three husbands A starring role in Valley of the Dolls nearly ruined her career She was notorious for wild spending sprees turbulent liaisons and an uncontrollable temper Until a long hidden illness was diagnosed and her amazing recovery began The Triumph Call

Me Anna is an American success story that grew out of a bizarre and desperate struggle for survival A harrowing ultimately triumphant story told by Patty Duke herself wife mother political activist President of the Screen Actors Guild and at last a happy fulfilled woman whose miracle is her own life
