Men in a Boat To Say Nothing of the Dog is one of the comic gems in the English language. An accidental one too. I did not intend to write a funny book at first, said its author. Humour in literature is often not taken as seriously as it deserves. Nevertheless, there are a few seriously funny books that remain great for all time. Three Men in a Boat is one of these. Ostensibly the tale of three city clerks on a boating trip, an account that sometimes masquerades against its will as a travel guide. Three Men in a Boat hovers somewhere between a shaggy dog story and episodes of late Victorian farce.
