The Complete Divine Trilogy R.E. Hargrave, 2015-08-23. An erotic read meant for adults. The Divine Trilogy is not your typical romance. When you first meet Catherine and Jayden in *To Serve is Divine* they aren't looking for love at all. Catherine O'Chancey is a young submissive whose second Dom turned out to be an abusive fake. This is the story of her subsequent recovery and reentry into the BDSM lifestyle with the help of a new Dominant Jayden Masterson. Come with me and I'll take you on the journey alongside Catherine and Jayden while their bond grows and deepens. It'll be sexy and intense but never fear you get to be there to see the tender side of her new Dom as he helps her through her past tragedies. The Divine Trilogy offers a different view of the BDSM world. One that will enlighten readers and show them that those who live this Lifestyle often do so because it is a deep-seated need within their psyche, something that can't be ignored. And that need is okay because when practiced properly, BDSM is all about being Safe, Sane, and Consensual. Find within the pages a sampling of the different dynamics which can occur amongst kinksters. Everything from hardcore pain sluts to docile littles who want to be pampered and coddled, but the important thing to remember is that everyone has a place of acceptance without judgement in this Lifestyle. Time and again reviewers have said they couldn't put this book down even when they don't usually read this genre.

Chokoisky, 2014-05-14. A handbook for unlocking the soul's purpose and manifesting a fulfilling life. Reinterprets the traditional Dharma system of ancient India as a map for revealing one's true purpose. Provides tests for determining one's Dharma type. Explains the benefits, challenges, and social, interpersonal, and health dynamics associated with each of the 5 Dharma types. Have you ever wondered why, despite great obstacles, some people achieve success while others, though given everything, seem to squander it away? Or why some people, despite having very little, radiate joy while others appear miserable though surrounded by opulence? The answer is Dharma: knowing your soul's purpose and living it is the key to creating a fulfilling life. Built on a deep body of Vedic knowledge, the ancient system of social structure and spiritual duty known as Dharma has modern applications for people seeking their life's purpose. Author Simon Chokoisky explains the five Dharma archetypes: Warrior, Educator, Merchant, Laborer, and Outsider, and how your life's purpose goes hand in hand with your Dharma type. Providing tests to determine your type, he outlines the benefits, challenges, emotional and learning styles, and social, interpersonal, and health dynamics associated with each type. Chokoisky reveals how the Dharma types function as an operating system for your identity, helping you map your life and play to your innate strengths, whether in choosing a
