To Whom Much is Given: A Grayson Goodman Novel Yanatha Desouvre,2016-04-17 Engaging and impossible to put down *To Whom Much is Given* is Yanatha Desouvre s debut novel which readers have described as James Bond meets Luther with a dash of Marvel s X Men and Mission Impossible sprinkled with Haitian hot sauce Among action packed cliff

hangers Desouvre captures the complexity of the human spirit in this fictional yet realistic culturally relevant mystery brimming in believable and intentionally broken characters leaving you wondering what is next for this witty and courageous crew Childhood friends Grayson and Amara along with Dominique Amara s closest friend join together on a dangerous pursuit to rescue Amara s nephew Jason Little do they know where this quest will take them and how dangerous are the forces behind this kidnapping The darkness of the past haunts these brave friends as they embark on this journey Will they be able to save Jason in time To Whom Much Is Given, Much Is Required Rufus O Jimerson, Dr,Rufus O.

Jimerson,2014-10-03 The purpose of this book is to highlight Jesus true message of salvation peace and fraternity towards one another in respects to God s will Scriptures of the Holy Bible are cited in this respect particularly the New Testament written by Apostles of Jesus Christ The focal point of his message is the treatment of the sick and needy by the wealthy and privileged Those blessed by wealth special talents and skills are required to use them wisely to mitigate the pain and suffering of the least advantaged Yet narcissism hedonism extreme consumption ethnocentrism and hubris have replaced devotion to God and his only son Jesus Christ The faith of the Father and Son is now being used to justify the Gospel of Wealth and hegemony over the least advantaged that have been stigmatized casted and scorned The true Christian values are acknowledged The leader of the Universal Church of Christ Pope Francis espouses these values In his Apostolic Exhortations he claims that the poverty of hunger and exposure to the elements created by political economies devoted to greed competition and survival of the fittest are killing people Much of the world s population particularly people of color is marginalized without work hope and the means to escape dire poverty The established church and western society is mired in a devotion to secular materialism and Eurocentric hegemony They rationalized that their esteem status in these throw away societies result from Christian blessing This book argues that this nation is contrary to traditional Christian values that founded the very church they claim to represent This sanctioned notion a norm in these exclusionary societies is based on ruthless idolatry of money and what it could buy The ensuing Gospel of Wealth espouses To the Victor goes the Spoils The plutocrats and their surrogates foster governments and austerity programs that rob the poor and working class to enhance their own wealth The poor needy and sick are treated like commodities that once they are used for maximum gains they are summarily discarded The book delves into corporate led commercialism that has pushed religious traditions and customs to the back of the bus Activism and protest by Reverend Talen is highlighted in this respect He focused on the over commercialization of the Christmas holiday at the expense of Christian values The most heralded Christian holidays that include Easter have become secularized to booster sales consumption and profits for the plutocrats and their surrogates This idolatry of greed is clearly a misuse of biblical teachings The Pope following Christ s message advocates mercy toward the poor and needy inclusiveness tolerance healing and forgiveness The book reveals that the roots of Christianity have been distorted to reinforce ethnocentrism Western hegemony and neocolonialism Africa rather than Europe is where Christianity

developed African people that are among the least advantaged and most scorned in the American society rooted the faith The original people of the Bible its authors Apostles and Prophets reflected the ethnicity and culture of Africans now found in Sub Sahara Africa and in America Artifacts found in early Christian churches throughout Europe into Russia provide ample evidence of the people that founded Christianity Ironically their descendants are among the meekest and most scorned in Western society as they were in Roman occupied Israel in Northwest Africa *Occasional Sermons and Addresses of Dr. C.F.W. Wilshire,2016-02-01 In this capstone work the late Bruce Wilshire seeks to rediscover the fullness of life in the world by way of a more complete activation of the body s potentials Appealing to our powers of hearing and feeling with a special emphasis on music he engages a rich array of composers writers and thinkers ranging from Beethoven and Mahler to Emerson and William James Wilshire builds on James s concept of the much at once to name the superabundance of the world that surrounds nourishes holds and stimulates us that pummels and provokes us that responds to our deepest need to feel ecstatically real *The Final Testament the Two Witnesses* Ima Prophet,2009-11-20 This book contains the mysteries written in the book of Revelation concerning the Seals Vials and Trumpets Also the times in which they are fulfilled and the times forth coming And the deep and hidden things from the times of old That there is a God thats not only watching but also performing an awesome work before us mankind and those who are watching and influencing us The parables of Christ will begin to take on new meaning as to the times and seasons of our world As well as whats coming which will change the earth as we know it This book also contains a former and latter writings which took 22 years for its completion This book also gives prophecies concerning the years to follow as well

as the knowledge and technology which is forth coming and destined for our generation And if that was not enough this book also reveals the key to the understanding of the Unified Field Theory which Albert Einstein was unable to finish in his life time And to date it has been cast off and replaced with other concepts which he himself rejected Because he knew that there is a Unity Theory that would apply to these fields together because they are liken to one another and must have a common link to their characteristics This in turn would open a whole new concept that will usher in a knowledge and an awesome Technology that our mind has never even considered before

The Confirmation of a Dream Joyce Michal, 2007-11 Come take a faith walk with me This book is meant to be simple but profound My prayer is that someone reading this book will better understand their own journey It s an adventure a trip that is designed especially for you by the very one who created the universe Miracles and dreams are still happening today Walk it out by Faith which is a firm belief in something for which there is no proof complete confidence or given with strong assurance Binding Life with Christ is just that Binding a contract for life Hold on sometimes the ride is up the mountain and down the other side Sometimes it is like sailing on the calm open sea or like taking a bumpy ride in an old wagon We all spend eternity somewhere why not make the right choice Remember we get to make the choice God has left that up to us Joyce Michal has devoted her past 16 years to other people s needs Her entrepreneur spirit has directed her how to do all things through Christ who strengthens her She wasn t an avid reader but now finds herself writing a book in order to tell people about a dream God gave her nineteen years ago that drove her to success God is still in the miracle business Can one do that without a good education Evidentially so she has managed to do it with the help of her personal savior Jesus We can do all things

America in God's World Kenneth L. Vaux, 2009-02-18 America in God s World argues that human injustice in social policy areas such as security economy and ecology can be traced to defective theology ethics abroad in the land Renewing biblical theology and ethics and finding new ways to appropriate this wisdom into public policy can bring renewal to our national life and help heal and reconcile our troubled world **The Vineyard Book of Devotions** L. Dean

Barley, 2021-01-21 For over forty years Dean Barley has directed The Vineyard Camp and Retreat Center an international sports camp for children This book offers a sampling of the evening vesper messages morning watch devotions and blogs Dean has prepared over the past few years Although he wears many hats as the Executive Director his passion has always been to challenge young adults and youth to experience the unfathomable love of God and Christ s call to discipleship Over 25 000 youth from 40 countries have visited the camp The campers are boys and girls affluent or in need of financial assistance Protestant and Catholic and from all cultures It s truly a microcosm of the true Kingdom of God And yet they all

come to this holy haven to experience something very special and unique each summer This daily devotional offers some insight into what running a camp and raising four young men is all about but Dean also has been able to open his heart to what he's come to understand as a disciple of Jesus Christ through the trials challenges and heartaches he's experienced

What Is God Like? Ralph H. Matthews, 2013-04-18 This book will answer these questions and many more Does God use evil spirits Why does God not intervene in the death of innocent children Does He Curse Does He want your money Did He make weird laws Does He ever change His mind Does He ever repent Why is He silent Why did He invent old age Is He really a terrorist Are there some things He can't do Does God demand that you worship Him This book is based on the word of God Over 1200 scriptures are used to substantiate the teaching herein These verses speak powerfully to us about the nature and character of God He wants you to literally live by the words that come out of His mouth He put you through hard times so you would learn that men and women don't live by bread only we live by every word that comes from GOD's mouth Deuteronomy 8:3 These words are powerful enough to give you eternal life and His Word will help you through your daily trials Just as rain and snow descend from the skies and don't go back until they've watered the earth So will the words that come out of my mouth not come back empty handed They'll do the work I sent them to do they'll complete the assignment I gave them Isaiah 55:10-11 The Spirit of God is anxious to work on you This book portrays the Almighty God as one who put an extremely high price on His love for us humans We need to love Him in return while showing Him reverence and fear Spurn His love too often and we could end up facing His wrath The ultimate Lover wants you to find Him so He can lavish His expensive love on you
