Complete Guide to Home Canning (Agriculture Information Bulletin No. 539) (Revised 2015) U.S. Department of Agriculture, 2019-07-10 Home canning has changed greatly in the 180 years since it was introduced as a way to preserve food. Scientists have found ways to produce safer, higher quality products. The first part of this publication explains the scientific principles on which canning techniques are based, discusses canning equipment, and describes the proper use of jars and lids. It describes basic canning ingredients and procedures and how to use them to achieve safe, high quality canned products. Finally, it helps you decide whether or not, and how much, to can. The second part of this publication is a series of canning guides for specific foods. These guides offer detailed directions for making sugar syrups and for canning fruits and fruit products, tomatoes and tomato products, vegetables, red meats, poultry, seafoods, and pickles and relishes. Handy guidelines for choosing the right quantities and quality of raw foods accompany each set of directions for fruits, tomatoes, and vegetables.

Mozza at Home Nancy Silverton, Carolyn Carreno, 2016-10-25 As an award-winning chef and the owner of six busy restaurants across two continents, Nancy Silverton was so consumed by her life in the professional kitchen that for years she almost never cooked at home. With her intense focus on the business of cooking, Nancy had forgotten what made her love to cook in the first place: fabulous ingredients at the height of their season, simple food served family style, and friends and loved ones gathered around the dinner table. Then, on a restorative trip to Italy with its ripe vegetables, magnificent landscapes, and long summer days, Nancy began to cook for friends and family again and rediscovered the great pleasures and great tastes of cooking and eating at home. Now, in *Mozza at Home*, Nancy shares her renewed passion and provides nineteen menus packed with easy-to-follow recipes that can be prepared in advance with no fancy restaurant equipment needed and are perfect for entertaining. Organized by meal, each menu provides a main dish along with a complementary selection of appetizers and side dishes. Under Nancy's guidance, you can mix and match all the options depending on the size of your gathering. Make a few sides for a small dinner party with friends or make them all for a delicious family feast. And don't forget dessert: there's an entire chapter dedicated to end-of-meal treats such as Devil's Food Rings with Spiced White Mountain Frosting and Dario's Olive Oil Cake with Rosemary and Pine Nuts that can be prepared hours before serving so that the host gets to relax during the event, too. Whether it's Marinated Olives and Fresh Pecorino and other appetizers that can be put out while you're assembling the rest of the meal, salads such as Endive Salad with Date Anchovy Dressing composed of sturdy lettuces that won't wilt, simple sides such as Roasted Carrots and Chickpeas with Cumin Vinaigrette that are just as delicious served at room temperature as they are warm, or show-stopping mains such as the Flattened Chicken Thighs with Charred Lemon Salsa Verde, there is something here for everyone and every occasion. With clever tips on how to organize your table and your time when serving many guests, *Mozza at Home* helps you throw the perfect dinner party, one that's positively stress-free and delicious. **Cook's Illustrated Revolutionary Recipes** America's Test Kitchen, 2018-10-23 2019 IACP Award Winner in
