**Vanishing Grace** Philip Yancey, 2018-06-05 In a time of division and discord Christians have come to be seen not as bearers of good news and love but of judgement and intolerance How did we get here And what can we do about it With a reporter s eye and a compassionate heart Philip Yancey bestselling author of What s So Amazing About Grace suggests practical ways in which we can live as salt and light within a society that is radically changing What can we learn from those who shun church but consider themselves spiritual How do people like artists pilgrims and activists model for us a more compelling path to faith than our usual concept of evangelism Can the good news once spoiled ever sound good again In Vanishing Grace Yancey tackles challenging and timely questions and offers a discerning look at what contributes to the rising hostility toward Christians acknowledging the ways that Christians themselves have contributed to this hostility and exploring how we can respond with both grace and truth In the wake of recent events and cultural shifts people both inside and outside the church are thirsty for grace Vanishing Grace calls us to see their thirst and ours in a hopeful new light as we listen love and offer a grace that is truly good news
