We Are All Prodigals:

Prodigals Greg Ross Taylor, 2023-05-02 The most famous story of Jesus retold Prodigals digs deeply into each line from Jesus's famous parable about the prodigal son inviting all readers those down on their luck or high on their horse to identify as prodigals A prodigal is anyone who accepts they have a sinful human nature and turns toward the love of home the place where we find a deeper relationship with God Rather than divide the world into prodigals and nonprodigals Taylor invites readers to find themselves in the teaching of Jesus as either younger or elder siblings The life changing power of the book comes when readers begin to identify with the characters in the story and join in the prayers and calls for transformation that conclude the chapters Proceeds from the book benefit 1256movement.org The author has lived and traveled internationally and relates the greatest parable Jesus ever told to his experiences across the United States and countries such as Israel Uganda the Netherlands and Honduras The author has set up an email account to receive prodigal stories from readers for possible inclusion in future editions of Prodigals letters prodigals.us

Hope for the Prodigal Jim Putman, Bill Putman, 2017-08-01 The statistics are sobering between 80 and 90 percent of kids who have grown up in the church are leaving the church after age eighteen Children slipping away into a culture that tells them the Bible isn't true sin is no big deal God isn't real or there are many ways to get into heaven Whether parents may blame themselves or the culture the result is the same lost souls But our God specializes in lost souls and the gospel is as powerful as it ever was With wisdom that comes from personal experience Jim Putman and his father Bill Putman offer brokenhearted parents and loved ones hope for their prodigals A prodigal son himself Jim has also found himself in the role of the prodigal's father when his own son rejected the faith This family's powerful story of restoration along with solid biblical truths and practical advice will inspire motivate and equip readers to go after their lost sheep with acts of love and service

The Prodigal Brother Susan J. Thompson, 2010-04-30 Most people

 book's content can be enhanced by the companion DVD **Prodigals** Sarah Beth Childers, 2023-09 *Prodigals* a memoir
 in essays explores the life of Sarah Beth Childers wildly creative brother who committed suicide at twenty two and her life
 with him and after him through the lens of the Biblical parable of the Prodigal Son This book examines the ways Childers's
 brother's story was both universal and uniquely Appalachian While the archetype of the prodigal son carries all its assumed
 baggage the Appalachian setting of *Prodigals* brings its own influences Childers foregrounds the Appalachian landscape in
 her narrative depicting its hardwood forests winding roads mining stained creeks and rivers hill clinging goats and cows
 neighborhoods and trailer parks tucked between mountains The Childers family's fervent religious faith and resistance to
 medical intervention seems normal in this world as do their conflicting desires to both escape from Appalachia and to stay
 forever at home Weaving in the stories of other famous prodigals including Branwell Brontë the alcoholic brother of the Brontë
 sisters Jimmy Swaggart the fallen televangelist Robert Crumb her brother's beloved author of sexist and racist comic books

and even herself Childers examines the role of the prodigal within the intimate tapestry of family life and beyond to its larger sociocultural meanings

Principle-Centered Parenting: Phyllis Williams, 2015-10-12 Principle Centered Parenting is not about controlling manipulating or changing childrens external behavior It is about starting healthy spiritually based thinking that changes behavior from the inside out Focusing on controlling or changing external behaviors is like trying to change a picture projected on a screen without changing the film in the camera As children learn to love good their behavior reflects their thinking and bad behavior dissolves like darkness when we turn on a light We cannot teach a drowning person how to swim Similarly we cannot teach healthy behavior to an out of control child It is necessary to stop destructive or harmful behavior with temporary measures but long term learning takes time repetition creative insight and willingness to listen to our inner spiritual parenting guide Teaching behavior principles is similar to teaching math or reading It takes loving patience and faith in a child's ability to learn When children understand correct principles their mistakes disappear Parables like the Wheat and Tares explain the spiritual law of growth and development The scriptures contain powerful stories that make spiritual laws practical and effective in parenting and daily family life Principle Centered Parenting is a guide for parents to tap into their own and their childrens infinite spiritual resources

Contemplative Prayer James P. Danaher, 2011-09-22 The current popularity of contemplative prayer is not accidental A twenty first century understanding of

the human condition has made us suspicious of words and the understanding we craft out of words Theology generally offers us words that purport to give us a more precise and certain understanding of God but the mystic has always known that our relationship to God transcends words and the kind of understanding that words produce The theology of the mystic has always been about understanding our communion with the mystery that is God in order to fall evermore deeply in love with the Divine That is the ultimate purpose of contemplative prayer and the purpose of this book is to offer a philosophy and theology of contemplative prayer in the twenty first century *When You Love a Prodigal* Judy Douglass, 2019-09-17 Loving a prodigal is a long and desperate journey filled with fear worry anger self recrimination You wait for the phone call will it be from jail or the hospital You plead with your loved one You search for help You feel the shame You cry out to God How long Lord Author Judy Douglass knows these lovers of prodigals well She is one herself and has created a large and growing community with others *When You Love a Prodigal* is a collection of 90 essays 90 days of perspective on what God offers to you as you love your prodigal At the end of each brief essay response questions will help you process how God intends to use the wilderness journey to mold your spiritual life You can work through it day by day or you can read it straight through Judy has traveled this road with her own prodigal reading learning praying and seeking God Over and over he continued to give her wisdom he sustained her he covered her with grace and he filled her with hope May you too be strengthened and filled with hope as together you discover how God will take you through your own valley
