Leadership by Design E. Grady Bogue, 1994-11-10 This book identifies the ideals that are essential to successful leadership in colleges and universities It explains how values shape a leader s realities and shows how leadership is a conceptual moral and performing art form built on ideas and ideals as well as a solid philosophical and empirical foundation and perfected in practice As embarrassing reports of misconduct and wrongdoing in the highest offices

of our universities and colleges continue to circulate it is important to step back and ask a couple of important questions What should leaders stand for And what are the ideals that will enable them to design climates that nurture the potential of colleagues students and other constituents Arguing that effective leadership is as much a test of character as a test of intellect E Grady Bogue identifies those ideals that are essential to successful leadership performance in colleges and universities He explains how leadership values construct a leader s realities and he shows how leadership is a conceptual moral and performing art form built on ideas and ideals based in a solid philosophical and empirical foundation and perfected in practice Bogue also examines the literature on leadership effectiveness and offers illustrations from diverse settings along with anecdotes from his personal experience that show how knowledge values and skill must be integrated in the effective leader These examples reflecting on honor dignity candor compassion courage and other leadership qualities provide a rich source of ideas for the development and improvement of leadership in higher education
