Restart Christian Greiser,2023-09-28 Have you ever had the feeling that you re treading water professionally that you re coming up against limits in terms of what you can achieve If so says Christian Greiser it might be high time to take some time out Careers progress through distinct phases we climb the career ladder we change direction or set up a business and eventually we retire As different as these phases are so too are the rules of success that govern them If we are to keep succeeding we must mentally shift gears and realign ourselves accordingly along the way We must take an honest and sometimes challenging look at our own character understanding the inner driving forces behind our previous successes questioning our patterns of behaviour and discarding the behaviours that no longer serve us In this way we can accomplish the transition to the next phase of our life and career and come back stronger than before Passionate career technician Christian Greiser is here to help us do just that In this humorously written new book he draws on insights from his many years of experience as an executive coach and incorporates research findings case studies and exercises to show how we can reset our mental attitude and achieve success and fulfilment in the next phase

Dead Letter Office Kristen Lindemoen,2013-05 Dead Letter Office was inspired by the trials and tribulations of maneuvering through the delicate social strata of living in a major city building a successful teaching career and attempting to find a decent date in the process Dead Letter Office is a collection of humorous essays formatted as unsent letters detailing the chaotic lives chronicles and relationship pandemonium of a cast of quintessentially Los Angeles characters which includes a self proclaimed artist a wannabe actor a very scary lawyer and one big stinky hippie Told in an innovative engaging format the various L A stories of these colorful characters intersect and interweave allowing the reader to glimpse a cross section of what it is like for so many people trying to live and love in L A Poor decision making and unique obstacles and idiosyncrasies

that are perhaps native to Los Angeles urban landscape all too often result in ugly life lessons being learned rather than the happiness that's being sought actually being found. However, all of the character's interpersonal foibles and misadventures are relayed in the author's humorous deadpan manner, making them every bit as entertaining as they are cautionary.
