Tolstoy And The Purple Chair My Year Of Magical Reading:

Tolstoy and the Purple Chair Nina Sankovitch, 2011-06-07 A dazzling memoir that reminds us of the most primal function of literature to heal to nurture and to connect us to our truest selves Thrity Umrigar author of *The Space Between Us* Catalyzed by the loss of her sister a mother of four spends one year savoring a great book every day from Thomas Pynchon to Nora Ephron and beyond Nina Sankovitch's soul baring and literary minded memoir is a chronicle of loss hope and redemption Nina ultimately turns to reading as therapy and through her journey illuminates the power of books to help us reclaim our lives Intelligent insightful and eloquent Sankovitch takes the reader on the literary journey As a bonus even the well read reader will be inspired to explore some of the books from this magical year Kirkus Reviews starred review The beauty of her project lies in seeing how books intertwine with daily life how very much they affect our moods interactions and especially important for Sankovitch how we recover and process our memories Los Angeles Times Through the stories of her own family Nina Sankovitch shows how books have the power to refresh renew and even heal us Julie Klam New York Times bestselling author of *You Had Me at Woof* An entertaining bibliophile's dream Sankovitch champions the act of reading not as an indulgence but as a necessity and will make the perfect gift from one bookworm to another Publishers Weekly There is much to learn from this moving book Chitra Banerjee Divakaruni author of *One Amazing Thing* Anyone who has ever sought refuge in literature will identify O magazine A beautifully paced look at how mindfulness can affect the psyche Shelf Awareness starred review

The Pleasures of Reading Catherine Sheldrick Ross, 2014-06-27 Based on years of groundbreaking research this book supplies a look at the unique relationship between each text and the individual reader that results in a satisfying pleasurable and even life changing reading experience Following up on her critically acclaimed *Reading Matters What the Research Reveals about Reading Libraries and Community* Catherine Sheldrick Ross takes a new look at pleasure reading through 30 thought provoking essays based on themes arranged from A to Z In short lively chapters she discusses topics ranging from Alexia Bad Reading and Changing Lives to Romance Fiction Self help Titles Vampires and Year of Reading Drawing on her own research as well as other published sources Ross comments on the significance of each theme provides examples of the phenomenon and develops the topic chronologically through further examples or through reversals The essays are unified by an underlying theory of reading that views readers as sense makers actively engaged in reading themselves into the text and reading the texts back into their own lives It gives educators and librarians insights into their roles with readers and offers a message about the importance of pleasure reading A short list of resources for further reading is supplied with each topic

Reading Still Matters Catherine Sheldrick Ross, Lynne (E.F.) McKechnie, Paulette M. Rothbauer, 2018-03-01 Drawing on scholarly research findings this book presents a cogent case that librarians can use to work towards prioritization of reading in libraries and in schools Reading is more important than it has ever been recent research on reading such as PEW reports and Scholastic's Kids and Family Reading Report proves that fact This new edition

of Reading Matters provides powerful evidence that can be used to justify the establishment maintenance and growth of pleasure reading collections both fiction and nonfiction and of readers advisory services The authors assert that reading should be woven into the majority of library activities reference collection building provision of leisure materials readers advisory services storytelling and story time programs adult literacy programs and more This edition also addresses emergent areas of interest such as e reading e writing and e publishing multiple literacies visual texts the ascendancy of young adult fiction and fan fiction A new chapter addresses special communities of YA readers The book will help library administrators and personnel convey the importance of reading to grant funding agencies stakeholders and the public at large LIS faculty who wish to establish and maintain courses in readers advisory will find it of particular interest **You Should Really Write a Book** Regina Brooks,Brenda Lane Richardson,2024-06-04 This is a terrific guide that clearly explains how to take your own story and turn it into a book that readers can't put down Julie Silver MD Chief Editor of Books at Harvard Health Publications If you've ever been told that You should really write a book and you've decided to give it a try this book is for you It hones in on the three key measures necessary for aspiring authors to conceptualize sell and market their memoirs Written especially for those who don't happen to be celebrities You Should Really Write a Book reveals why and how so many relatively unknown memoirists are making a name for themselves With references to more than four hundred books and six memoir categories this is essential reading for anyone wanting to write a commercially viable memoir in today's vastly changing publishing industry The days are long gone when editors and agents were willing to take on a manuscript simply because it was based on a good idea or even because it was well written With eyes focused on the bottom line they now look for skilled and creative authors with an established audience too Brooks and Richardson use the latest social networking marketing and promotional trends and explain how to conceptualize and strategize campaigns that cause buzz dramatically fueling word of mouth and attracting attention in the publishing world and beyond Full of current examples and in depth analysis this guide explains what sells and why teaches writers to think like publishers and offers guidance on dealing with complicated emotions essential tools for maximizing memoir success *Eduardo Halfon and the Itinerary of Memory* Marilyn G. Miller,2024-09-30 Arguably all of Guatemalan writer Eduardo Halfon's fictional works deal with quandaries of translation even in their original versions The award winning author of fifteen books claims to have lost his mother tongue when his family fled to the United States after his tenth birthday This displacement echoing the displacement of his four grandparents from different corners of the Jewish diaspora to Guatemala gives Halfon like his ancestors before him good reason to consider translation a natural environment for his creative work and for life itself Indeed Halfon's uncanny ability to translate his family's history into fictions that resonate across the globe with readers in Spanish English and several other languages helps explain why he has received numerous prizes in the United States Spain Guatemala and even France some as a Latin American author others as a Latino or Jewish author Marilyn G Miller has written the first study

to focus exclusively on this important voice in Jewish Latin American letters Only after returning to Guatemala and regaining his command of Spanish through reading literature did Halfon begin to build his life as a writer and translator Nonetheless the author admits that one thing is stubbornly true and it s this every sentence that I write every verb or adjective that I painstakingly insert or remove every literary thought that I have while writing always begins and ends in English Halfon s translated works are never parallel texts however Thus translation and its side effects foreign words linguistic lacunae multilingual modes of perception offer us crucial keys to understanding the author s fictional world as a vehicle for retelling and surviving Jewish trauma and finding his own particular plurilingual voice **The Glass Wives** Amy Sue

Nathan,2013-05-14 Evie and Nicole Glass share a last name They also shared a husband When a tragic car accident ends the life of Richard Glass it also upends the lives of Evie and Nicole and their children There s no love lost between the widow and the ex In fact Evie sees a silver lining in all this heartache the chance to rid herself of Nicole once and for all But Evie wasn t counting on her children s bond with their baby half brother and she wasn t counting on Nicole s desperate need to hang on to the threads of family no matter how frayed Strapped for cash Evie cautiously agrees to share living expenses and her home with Nicole and the baby But when Evie suspects that Nicole is determined to rearrange more than her kitchen Evie must decide who she can trust More than that she must ask what makes a family **The Glass Wives** is Amy Sue Nathan s heartfelt debut novel

Faces of Grief. Overcoming the Pain of Loss Veronica Semenova,2020-07-23 Many books are written about grief what it is and how to deal with it but no loss is the same The intensity of grief depends on many different factors Grief varies between young and old and between cultures and religions and depends on levels of existing dysfunction and on the nature of death if the death was expected or sudden It depends on previous experiences with death and attachment styles and of course interpersonal factors play a very important role as well

The Little Bookstore of Big Stone Gap Wendy Welch,2025-10-16 An inspiring true story about losing your place finding your purpose and building a community one book at a time Wendy Welch and her husband had always dreamed of owning a bookstore so when they left their high octane jobs for a simpler life in an Appalachian coal town they seized an unexpected opportunity to pursue thier dream The only problems A declining U S economy a small town with no industry and the advent of the e book They also had no idea how to run a bookstore Against all odds but with optimism the help of their Virginian mountain community and an abiding love for books they succeeded in establishing more than a thriving business they built a community **The Little Bookstore of Big Stone Gap** is the little bookstore that could how two people two cats two dogs and thirty eight thousand books helped a small town find its heart It is a story about people and books and how together they create community **What Readers Do** Beth

Driscoll,2024-02-21 Shining a spotlight on everyday readers of the 21st century Beth Driscoll explores how contemporary readers of Anglophone fiction interact with the book industry digital environments and each other We live in an era when book clubs bibliomemoirs Bookstagram and BookTok are as valuable to some readers as solitary reading moments The

product of nearly two decades of qualitative research into readers and reading culture What Readers Do examines reading through three dimensions aesthetic conduct moral conduct and self care to show how readers intertwine private and social behaviors and both reinforce and oppose the structures of capitalism Analyzing reading as a post digital practice that is a synthesis of both print and digital modes and on and offline behaviors Driscoll presents a methodology for studying readers that connects book history literary studies sociology and actor network theory Arguing for the vitality agency and creativity of readers this book sheds light on how we read now and on how much more readers do than just read *Play Among Books* Miro Roman,Alice_ch3n81,2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science *Falling for Eli* Nancy Shulins,2012-04-24 Traces how the author an Associated Press special correspondent who has been nominated twice for a Pulitzer Prize endured heartbreaking infertility treatments before finding healing and wholeness through the consuming love of a cantankerous Thoroughbred Original *Nearly Nowhere* Summer Brenner,2012-10-05 Fifteen years ago Kate Ryan and her daughter Ruby moved to the secluded village of Zamora in northern New Mexico to find a quiet life off the grid But when Kate invites the wrong drifter home for the night the delicate peace of their domain is shattered Troy Mason manages to hang onto Kate for a few weeks though his charm increasingly fails to offset his lies and delusions of grandeur It is only a matter of time before the lies turn abusive igniting a chain reaction of violence and murder Not even a bullet in the leg will keep Troy from seeking revenge as he chases the missing Ruby over back roads through the Sangre de Cristo Mountains down the River of No Return and to a white supremacy enclave in Idaho s Bitterroot Wilderness *Nearly Nowhere* explores the darkest places of the American West emerging with only a fragile hope of redemption in the maternal ties that bind Originally published by Gallimard s la Serie noire as *Presque nulle* part **Crossing Back** Marianna De Marco Torgovnick,2021-09-14 From the award winning author of *Crossing Ocean Parkway* a personal memoir about adjusting to loss through books meditation and the process of memory itself Marianna De Marco Torgovnick experienced the rupture of two of her life s most intimate relations when her mother and brother died in close proximity Mourning rocked her life but it also led to the solace and insight offered by classic books and the practice of meditation Her resulting journey into the past imagines a viable future and raises questions acute for Italian Americans but pertinent to everyone about the nature of memory and the meanings of home at a time like ours marked by cultural disruption and wartime *Crossing Back* Books Family and Memory without Pain presents a personal perspective on death mourning loss and renewal A sequel to her award winning and much anthologized *Crossing Ocean*

Parkway Crossing Back is about close familial ties and personal loss written after the death of her remaining birth family who had always been there and now were not After their loss she entered a spiritual and psychological state of transcendental homelessness the feeling of being truly at home nowhere of being spiritually adrift In a grand act of symbolic reenactment she found herself moving apartments repeatedly not realizing she did so subconsciously to keep busy to stave off grief By reading and studying great books she opened up to mourning a process she constitutionally resisted as somehow shameful Over time she discovered that a third death colored and prolonged her feelings of grief her first child's death in infancy which in the course of a happier lifetime had never been adequately acknowledged Her new losses led her finally to take stock of her son's death too Reading and meditating followed by writing became daily her healing rituals A warm and intimate user's guide to books family and memory in the mourning process the end point being memory without pain Crossing Back is a wide ranging memoir about growing older and learning to ride the waves of change Lively and conversational Torgovnick is masterful at tracking the moment to moment day to day challenges of sudden or protracted grief and the ways in which the mind and the body seem to search for and sometimes find solutions **Grieving God's Way**

Margaret Brownley, 2012-07-09 The loss of a loved one is devastating and the grief that follows is often crippling While modern Western culture has adopted an aren't you over it yet attitude toward death and the grief it brings the grieving process can take years Weeks and months go by with no visible improvement We might even wonder if God has forsaken us Then one day it happens We laugh We feel connected restless maybe even hopeful We're no longer consumed by our loss and our thoughts turn outward These are the first signs of healing Though the tendency in our fast paced society is to suppress our grief or ignore it all together Grieving God's Way inspires a different course of action In this 90 day devotional Margaret Brownley provides the framework for a methodical grieving process that follows God's plan Grieving God's way requires us to trust that He will lead us through the darkness heal our pain take away our weariness and fill our hearts with hope peace and new purpose From defining what grief is to validating its importance Brownley gives us the components necessary to find God within our sorrow and grieve with Him Divided into four sections Grieving God's Way offers insight into healing our grieving body soul heart and spirit Infused with scriptures and inspirational haiku by Diantha Ain this book motivates us to shift our grieving from man's way to God's way slow and often invisible but with truly amazing results So how long does it take to grieve As long as it takes God to heal **El Libro de las listas de Libros** Alex Jonhson, 2022-03-01 Este

es un libro de listas de libros No del tipo 1001 libros que DEBES leer antes de morir sino de listas que cuentan historias Listas que te hacen sonreír reflexionar y ver tópicos agrupados de formas completamente nuevas Desde la estantería de Bin Laden o las lecturas que influyeron en David Bowie hasta los libros que más se olvidan en los hoteles pasando por los libros favoritos de los presos y los más prestados entre los parlamentarios estas listas son una prueba de que la estantería de una persona te dice todo lo que necesitas saber sobre ella y a veces un poco más **Se per un anno una lettrice** Nina

Sankovitch,2012-05-17 Decisi di dare inizio al mio progetto di lettura quotidiana il giorno del mio quarantaseiesimo compleanno Tutti i libri sarebbero stati quelli che avrei condiviso con Anne Marie se avessi potuto Il mio anno di intensa lettura sarebbe stato il mio progetto personale di fuga dentro la vita Per Nina Sankovitch l'inizio di una folle impresa concedersi con quattro figli e un marito in giro per casa tra liste della spesa panni da lavare merende da preparare e cene da cucinare una pausa forzata dal mondo e dai suoi ritmi concitati Ma soprattutto dal dolore della perdita esploso dentro di lei con la violenza di un uragano alla morte di sua sorella Anne Marie Un dolore troppo profondo per limitarsi ad aggirarlo nella speranza di lasciarselo alle spalle Dai libri Nina si aspetta di ricevere consigli e insegnamenti distrazione ed entusiasmo serenità e giusto distacco Nei libri troverò molto di più Questo il racconto del viaggio che iniziato tra pagine di carta l'ha portata a ripercorrere le storie della sua famiglia e i ricordi di un'intera vita alla ricerca della chiave capace di far scattare la serratura della felicità
