Inside the Firm - The Untold Story of The Krays' Reign of Terror Tony Lambrianou, 2009-06-08 Throughout the 1960s Tony Lambrianou was a trusted member of the Kray Gang He had a unique insight into the workings of a criminal organisation whose reputation in the underworld remains to this day But he was not just an observer and his role in the Kray story ultimately led to him serving 15 years in prison Inside the Firm tells with searing honesty his violent history with the Krays and the horrors of his subsequent imprisonment in top security institutions In exorcising his ghosts he reveals an account that is more impartial and more terrifying than Ronnie and Reggie ever could have written From the murder of Jack The Hat McVitie and the mystery of his undiscovered body to the role of the Kray legacy in Britain's prisons today Inside the Firm is the last confession of a gangster determined to turn his back on his brutal past **Not Light, but Fire** Matthew Kay, 2023-10-10 Do you feel prepared to initiate and facilitate meaningful productive dialogues about race in your classroom Are you looking for practical strategies to engage with your students Inspired by Frederick Douglass's abolitionist call to action it is not light that is needed but fire Matthew Kay has spent his career learning how to lead students through the most difficult race conversations Kay not only makes the case that high school classrooms are one of the best places to have those conversations but he also offers a method for getting them right providing candid guidance on How to recognize the difference between meaningful and inconsequential race conversations How to build conversational safe spaces not merely declare them How to infuse race conversations with urgency and purpose how to thrive in the face of unexpected challenges How administrators might equip teachers to thoughtfully engage in these conversations With the right blend of reflection and humility Kay asserts teachers can make school one of the best venues for young people to discuss race **Mass Supervision** Vincent Schiraldi, 2023-09-12 With a foreword by Bruce Western Named one of the Best Books of the Year by NPR Shortlisted 2024 Stephan Russo Book Prize for Social Justice The most comprehensive critique of probation and parole and a provocative and compelling argument for abolishing both from the former Probation Commissioner of New York City Imagine if probation didn't exist And I came to you with 80 million and 30 000 people the courts considered troubled and troubling And you could do anything you wanted with that money to make New York City safer and help people turn their lives around Would you go out and hire a thousand civil service protected bureaucrats to supervise people as they piss in a cup once a week and to tell them to go forth and sin no more Vincent Schiraldi's Job Interview with NYC Mayor Mike Bloomberg We've heard a lot in recent years about the nearly 2.1 million people incarcerated in American prisons and jails

But what about the approximately 4 million more who are on probation and parole monitored by the state at great expense and at risk of being sent to prison at the whim of a probation or parole officer for the least imaginable infraction Vincent Schiraldi was New York City probation commissioner under Mayor Bloomberg supervising a system charged with monitoring 30 000 people on a daily basis In Mass Supervision he combines firsthand experience with deep research on the inadequately explored practices of probation and parole to illustrate how these forms of state supervision have strayed from their original goal of providing constructive and rehabilitative alternatives to prison They have become instead Schiraldi argues a recidivism trap for people trying to lead productive lives in the wake of a criminal conviction Schiraldi offers the first full and up to date account of these two key aspects of our criminal justice system showing that these practices increase incarceration have little impact on crime rates and needlessly disrupt countless lives Ultimately he argues that they should be dramatically downsized or even abolished completely The Fifth Never Goes Bad Tony Hayden,2023-10-13 About the Book On March 19th 2020 the world is locking down to deal with the Covid 19 pandemic and Joe Carney is being released from prison to deal with an outbreak He is an ex Catholic priest who is guilty of what the Church laicized him for but not guilty of what he was sent to prison for He was forced to plead guilty to a lesser charge to avoid a much longer prison sentence Joe was thrown out of the priesthood for having an affair with a married woman in his first parish her name was Martha Reynolds and when she is brutally murdered Joe becomes the primary suspect His temporary release from prison offers him a second chance at life and more importantly a second chance to set the record straight on who murdered Martha Reynolds About the Author The Fifth Never Goes Bad is Tony Hayden s first novel he lives outside of Philadelphia with his wife and five children Billboard ,2011-10-01 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
