promoting such bizarre beliefs about race gender sexuality and life in general that it s impossible in many cases to distinguish whether such ideas are serious or if they re a parody of what liberalism has become The political differences between liberals and conservatives used to be pretty well established but recently the tug of war between the Left and the Right took a dramatic and disturbing turn Modern liberalism has been replaced with new mind boggling agendas promoting the adoption of unscientific authoritarian and sociologically disastrous ideologies In attempts to accomplish their plans the Left are conspiring to end freedom of speech traditional families long cherished holidays and hope to implement a new world order Who is behind this madness What is their ultimate goal How far are they willing to go to achieve it And what can we do to stop them Bestselling author and media analyst Mark Dice takes you on a tour inside the minds of those constructing this new social landscape in his groundbreaking investigation Liberalism Find a Cure [HILARIOUS PLAYS BY JOANN](#) Joann Sprangers Lee,2023-06-12 All songs were written with NWC Noteworthy Composer For a small fee we can provide original NWC files for any of the musicals By downloading the free viewer program from Noteworthy Composer com <https://noteworthycomposer.com/nwc2/viewer.htm> you can play songs as arranged via your computer or laptop It can be used to learn songs or if connected to a music keyboard as background for performances Licensing fees follow the industry pattern but will be minimal until the brilliance of Joann s work is established Rights to perform songs are included in the fee Performing a number of short plays as one event will be considered one performance Squeeze in as many as you like Send questions to Playformers gmail com along with info for licensing
