Prayer Is Simply Talking to God Pauline Adongo, 2016-12-20. A good number of Christians shy away from praying because of misconceptions and fears they have about prayer. Most are inundated with misinformation and false beliefs about what qualifies as a good prayer. This book was birthed out of a deeper desire and hunger for each believer to recognize the power of prayer that they can institute and practice independently. Prayer itself, as well as the approach to prayer and attitude towards prayer, are simplified in this book, granting readers the freedom to pray. Prayer, when rendered to the Holy Spirit, produces more. Among the key topics that are discussed in this book are: Aspects of prayers, Common misconceptions about prayer, Benefits of prayer, Holy Spirit-led prayer, the role of the Holy Spirit in prayer, Praying from a victorious position in spiritual warfare, How to pray while waiting for the answer.

How to incorporate prayer in daily routine All of these have been shared so as to free the reader to simply talk to God
