Italian cult film narratives In addition the book also analyses how longstanding regional distinctions between Italy's urban North and the much maligned rural South fed into sex and death cycles produced between 1970 and 1985 Bodies of Desire and Bodies in Distress profiles leading 1970s Italian directors and performers including Aristide Massaccesi Joe D Amato Laura Gemser and Dario Argento who also provides an interview discussing his work and 1970s Italian society The volume also provides case studies of the giallo cycle rape and revenge dramas the Italian rogue cop series post apocalypse films barbarian movies and sex comedy formats By considering the icons and genres from the golden age of Italian cult film alongside the crucial social and sexual tensions that influenced their creation this book will be of interest to film scholars and cult movie fans alike

Chisholm's Mount-Desert Guide-book Moses Foster Sweetser, 1888 [The Sermon on the Mount, the Twelve Steps, and the Royal Road](#) Daniel Hazelwood, 2018-04-13 In The Sermon on the Mount the Twelve Steps and the Royal Road Dan Hazelwood presents a unique blend of early church Christianity and the twelve step recovering program that explains how the Christian experience changed over the last four hundred years and how the twelve step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot duplicate In preparation for this journey into studying the sermon he takes the reader on a historical church odyssey and highlights significant philosophical church and secular events that not only affected Christian thought but also were significant in altering how current Christians view Christ He also demonstrates why early Christians viewed Christ differently By providing this background he prepares the reader to study the sermon in a manner the early church did while simultaneously demonstrating why the twelve steps represent a reconnection to an almost lost and forgotten Christ experience Complementing this journey is an exhaustive examination of biblical Greek so that the reader may gain a deeper understanding of the sermon in its original majestic splendor This challenging and thought provoking book unlocks the deeper meanings of many biblical passages and greatly enhances a spiritual seeker's walk
