Summary of Chris Perez's To Selena, with Love Everest Media, 2022-04-29T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Selena and I had always been friendly around each other but professional I had joined her band a year before and we had traveled to Mexico together I had noticed that Selena was lively and outgoing while I was quiet and observant 2 I began to notice Selena s physical presence her body tempting me even

though she always wore cover ups over her bikini I tried not to stare at her but I did anyway watching her out of the corner of my eye when I thought she wasn't looking 3 I was determined to ignore everything that had happened with Selena on the plane home from Acapulco I was going to keep playing guitar in Tejano band fronted by another young singer Shelly Lares 4 I was new to the Tejano world and I often felt like an imposter I was a rock guitarist who had never played Tejano music before but I knew right away that Selena y Los Dinos were rising to the top
