Butterfly Road Rupert Neville,2022-03-10 When he was just five years old Rupert Neville innocently walked through a bedroom door and into his first nightmare At that time there were no secrets in his world Sadly it would not be the first dark secret he would be asked to keep In a raw recounting of his experiences Neville details how growing up entrenched in a religious group forced him to question and ultimately hide his homosexuality As he reveals how he became more involved in their teachings even preaching their beliefs to others he also discloses how he found himself caught in a web of human spiders who exploited him While dealing with the resulting self imposed guilt for much of his life the effects of his sexuality and the abuse became so entangled that Neville spent years attempting to pull them apart He shares his candid story with the hope that it might not only shed a guiding light for survivors of abuse who struggle to accept themselves but also celebrate the peace experienced by embracing one s sexual identity Butterfly Road is the true story of a sexual abuse survivor who recounts his experiences reveals the consequences and most importantly speaks of the hope and power of healing

Black Lace Eggs Stella Barbaretta,2013-04-29 Marley

Gayle Kellerman is a headstrong and imaginative child raised on a Pennsylvania farm in the 1950s. She finds great adventure riding the rolling hills of her imaginative Old West on her horse Lightning, which closely resembles an overused broom. Marley's imagination serves as an escape from the real pain that she experiences in the hands of her mother, but she can see that there is more reason for her mother's anger than Marley herself can provide. Marley strikes back through her imagination and finds this retaliation a source of strength and satisfaction. Not heeding her mother's warning to stay away from him, Marley befriends a black man who has moved into her neighbor's farm. She spends time with him and grows to love him, which makes her best friend feel unwanted and angry. Marley searches for an answer after her new friend disappears without a trace, leaving behind the few possessions he owned. Marley finds herself a teen keeping a secret that could destroy her, avenging a murder and fighting for her own life. The reader will find a little of themselves in Marley. They will say what she has said, they will do what she has done, or wish they had Stella Barabara.
