The Secret to Cybersecurity Scott Augenbaum,2019-01-29 Cybercrimes are a threat and as dangerous as an armed intruder yet millions of Americans are complacent or simply uninformed of how to protect themselves *The Secret to Cybersecurity* closes that knowledge gap by using real life examples to educate readers It s 2 a m do you know who your child is online with According to author Scott Augenbaum between 80 to 90 percent of students say they do whatever they want on their smartphones and their parents don t have a clue Is that you What about your online banking passwords are they safe Has your email account or bank debit card ever been compromised In 2018 there were data breaches at several major companies If those companies have your credit or debit information that affects you There are bad people in the world and they are on the internet They want to hurt you They are based all over the world so they re hard at work when even you

re sleeping They use automated programs to probe for weaknesses in your internet security programs And they never stop Cybercrime is on the increase internationally and it s up to you to protect yourself But how The Secret to Cybersecurity is the simple and straightforward plan to keep you your family and your business safe Written by Scott Augenbaum a 29 year veteran of the FBI who specialized in cybercrimes it uses real life examples to educate and inform readers explaining who why how so you ll have a specific takeaway to put into action for your family Learn about the scams methods and ways that cyber criminals operate and learn how to avoid being the next cyber victim A Story for All Americans Frank L. Grzyb,2000 A Story for All Americans Vietnam Victims and Veterans formerly titled Touched by the Dragon details wartime accounts of average servicemen and women some heroic some frightening some amusing some nearly unbelievable The work is a historical compendium of fascinating and compelling stories woven together in a theme format What makes this book truly unique however is its absence of literary pretentiousness Relating oral accounts the veterans speak in a no nonsense matter of fact way As seen through the eyes of the veterans the stories include first person experiences of infantry soldiers a flight officer a medic a nurse a combat engineer an intelligence soldier and various support personnel Personalities emerge gradually as the veterans discuss their pre war days their training and preparation for Vietnam and their actual in country experiences The stories speak of fear and survival the paranoia of not knowing who or where the enemy was the bullets rockets and mortars that could mangle a body or snuff out a life in an instant and going home with a CMH not the Congressional Medal of Honor but a Casket with Metal Handles The veterans also speak of friendships and simple acts of kindness But more importantly they speak of healing both physical and mental Identity Thieves Heith Copes,Lynne M.
