Taming Naia English Edition

David W. Darrow

Taming Naia English Edition:

Beyond Wild and Tame Alex C. Oehler, 2020-04-09 Responding to recent scholarship this book examines animal domestication and offers a Soiot approach to animals and landscapes which transcends the wild tame dichotomy Following herder hunters of the Eastern Saian Mountains in southern Siberia the author examines how Soiot and Tofa households embrace unpredictability recognize sentience and encourage autonomy in all their relations with animals spirits and land features It is an ethnography intended to help us reinvent our relations with the earth in unpredictable times

Historiography of Imperial Russia: The Profession and Writing of History in a Multinational State Thomas Sanders, 2015-02-12 This collection of the best new and recent work on historical consciousness and practice in late Imperial Russia assembles the building blocks for a fundamental reconceptualization of Russian history and history writing

Central Eurasian Reader Stéphane A. Dudoignon, 2021-10-11 No detailed description available for Central Eurasian Reader

The Life of Permafrost Pey-Yi Chu, 2020-12-07 In the Anthropocene the thawing of frozen earth due to global warming has drawn worldwide attention to permafrost Contemporary scientists define permafrost as ground that maintains a negative temperature for at least two years But where did this particular conception of permafrost originate and what alternatives existed The Life of Permafrost provides an intellectual history of permafrost placing the phenomenon squarely in the political social and material context of Russian and Soviet science Pey Yi Chu shows that understandings of frozen earth were shaped by two key experiences in the Russian Empire and the Soviet Union On one hand the colonization and industrialization of Siberia nourished an engineering perspective on frozen earth that viewed the phenomenon as an aggregate physical structure ground On the other a Russian and Soviet tradition of systems thinking encouraged approaching frozen earth as a process condition and space tied to planetary exchanges of energy and matter Aided by the US militarization of the Arctic during the Cold War the engineering view of frozen earth as an obstacle to construction became dominant The Life of Permafrost tells the fascinating story of how permafrost came to acquire life as Russian and Soviet scientists studied named and defined it

THE INDIAN LISTENER All India Radio (AIR), New Delhi, 1942-03-22 The Indian Listener fortnightly programme journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 December 1935 and was the successor to the Indian Radio Times in English which was published beginning in July 16 of 1927 From 22 August 1937 onwards it was published by All India Radio New Delhi In 1950 it was turned into a weekly journal Later The Indian listener became Akashvani in January 5 1958 It was made a fortnightly again on July 1 1983 It used to serve the listener as a Bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes them take part in them and produce them along with photographs of performing artists It also contains the information of major changes in the policy and service of the organisation NAME OF THE JOURNAL The Indian Listener LANGUAGE OF THE JOURNAL English DATE MONTH YEAR OF PUBLICATION 22 03 1942 PERIODICITY OF THE

 S. G. Goodrich, 2023-03-18 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical
 books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books
 and make them available to the public so that they do not get lost *Cumulated Index Medicus*, 1987 *Russian America*
 Ilya Vinkovetsky, 2011-04-06 From 1741 until Alaska was sold to the United States in 1867 the Russian empire claimed
 territory and peoples in North America In this book Ilya Vinkovetsky examines how Russia governed its only overseas colony
 illustrating how the colony fit into and diverged from the structures developed in the otherwise contiguous Russian empire
 Russian America was effectively transformed from a remote extension of Russia s Siberian frontier penetrated mainly by
 Siberianized Russians into an ostensibly modern overseas colony operated by Europeanized Russians Under the rule of the
 Russian American Company the colony was governed on different terms than the rest of the empire a hybrid of elements
 carried over from Siberia and imported from rival colonial systems Its economic labor and social organization reflected
 Russian hopes for Alaska as well as the numerous limitations such as its vast territory and pressures from its multiethnic
 residents it imposed This approach was particularly evident in Russian strategies to convert the indigenous peoples of
 Russian America into loyal subjects of the Russian Empire Vinkovetsky looks closely at Russian efforts to acculturate the
 native peoples including attempts to predispose them to be more open to the Russian political and cultural influence through
 trade and Russian Orthodox Christianity Bringing together the history of Russia the history of colonialism and the history of
 contact between native peoples and Europeans on the American frontier this work highlights how the overseas colony
 revealed the Russian Empire s adaptability to models of colonialism **National Library of Medicine Current Catalog**
 National Library of Medicine (U.S.), 1971 First multi year cumulation covers six years 1965 70 **Creative Union** Kiril
 Tomoff, 2018-11-15 Why did the Stalin era a period characterized by bureaucratic control and the reign of Socialist Realism in
 the arts witness such an extraordinary upsurge of musical creativity and the prominence of musicians in the cultural elite
 This is one of the questions that Kiril Tomoff seeks to answer in *Creative Union* the first book about any of the professional
 unions that dominated Soviet cultural life at the time Drawing on hitherto untapped archives he shows how the Union of
 Soviet Composers established control over the music profession and negotiated the relationship between composers and the
 Communist Party leadership Central to Tomoff s argument is the institutional authority and prestige that the musical
 profession accrued and deployed within Soviet society enabling musicians to withstand the postwar disciplinary campaigns

that were so crippling in other artistic and literary spheres Most accounts of Soviet musical life focus on famous individuals or the campaign against Shostakovich's *Lady Macbeth* and Zhdanov's postwar attack on musical formalism Tomoff's approach while not downplaying these notorious events shows that the Union was able to develop and direct a musical profession that enjoyed enormous social prestige The Union's leadership was able to use its expertise to determine the criteria of musical value with a degree of independence Tomoff's book reveals the complex and mutable interaction of creative intelligentsia and political elite in a period hitherto characterized as one of totalitarian control

Threads of Empire Charles Steinwedel, 2016-05-09 A history and analysis of Bashkiria and its transformation into a Russian imperial region over the course of three and a half centuries *Threads of Empire* examines how Russia's imperial officials and intellectual elites made and maintained their authority among the changing intellectual and political currents in Eurasia from the mid sixteenth century to the revolution of 1917 The book focuses on a region 750 miles east of Moscow known as Bashkiria The region was split nearly evenly between Russian and Turkic language speakers both nomads and farmers Ufa province at Bashkiria's core had the largest Muslim population of any province in the empire The empire's leading Muslim official the mufti was based there but the region also hosted a Russian Orthodox bishop Bashkirs and peasants had different legal status and powerful Russian Orthodox and Muslim nobles dominated the peasant estate By the twentieth century industrial mining and rail commerce gave rise to a class structure of workers and managers Bashkiria thus presents a fascinating case study of empire in all its complexities and of how the tsarist empire's ideology and categories of rule changed over time An original and well researched study of the incorporation of the Bashkir lands and their transformation into a Russian imperial region over the course of three and a half centuries Steinwedel argues that the history of Bashkiria exposes a number of the empire's achievements as a multiethnic society He draws out both important shifts and abiding continuities in the history of the region and by employing a multi dimensional approach covering a range of intersecting topics provides a fuller appreciation for the region He also does a nice job pointing out the useful commonalities and differences between the Bashkir lands and other parts of the empire making a compelling case for Bashkiria's importance for understanding larger processes Willard Sunderland author of *Taming the Wild Field: Colonization and Empire on the Russian Steppe* With its solid grounding in Russian archival and printed sources and its sophisticated comparative approach Steinwedel's work will serve as a point of departure for historians of the Russian Empire and will become a book of reference for any future study of empires in global history *American Historical Review* Steinwedel's book is both a skilful exercise in local and regional history and an important contribution to the history of Imperial Russia as a whole *Slavonic and East European Review*

Tsardom of Sufficiency, Empire of Norms David W. Darrow, 2018-12-05 An examination of how land became a measured entitlement in Russia

Rural History of Soviet Central Asia: Land Reform and Agricultural Change in Early Soviet Uzbekistan Beatrice Penati, 2024-12-02 In the mid 1920s Uzbekistan's countryside experienced a land reform which aimed at solving rural poverty

and satisfying radical fringes among peasants and Party while sustaining agricultural output especially for cotton This book analyses the decision making process underpinning the reform its implementation and economic and social effects The reform must be understood against the background of the wreckage caused by war and revolution and linked to subsequent policies of land organisation and regime sponsored class struggle Overall this is the first comprehensive account of early Soviet policy in Central Asia s agricultural heartland encompassing land rights irrigation credit resettlement and the co operative system

Imperial Desert Dreams Julia Obertreis, 2017-12-11 Beamte Ingenieure und Wissenschaftler des Russischen Reiches und später der Sowjetunion planten die Ausweitung und Modernisierung der Bewässerungssysteme und des Baumwollanbaus in Zentralasien Die Studie die das heutige Usbekistan und Turkmenistan untersucht betont die diskursiven und politischen Kontinuitäten über die Zeit von 1917 hinweg Einer der zentralen Topoi war die Umwandlung von toten Steppen und Wüsten in blühende Oasen Der High modernism erreichte seinen Höhepunkt in den Nachkriegsjahrzehnten Seit den 1970er Jahren entwickelte sich eine ökologische Kritik an der sowjetischen Modernisierung die in der Perestrojkazeit an Fahrt aufnahm Letztendlich trugen die ökologischen und ökonomischen sowie sozialen Folgewirkungen der wachstumsfixierten Modernisierung zum Zusammenbruch des kommunistischen Regimes bei

Officials engineers and scientists in the Russian Empire and later the Soviet Union envisaged the expansion and modernization of irrigation systems and cotton growing in Central Asia Focusing on the region of today s Uzbekistan and Turkmenistan this book highlights the continuities in discourse and policies beyond the historical divide of 1917 One of the central topoi was the transformation of dead lands into blossoming oases High modernism policies hit their peak in the post war decades From the 1970s an ecological critique evolved which gained momentum in the Perestroika period Ultimately the grave ecological economic and social consequences of the growth fixated modernization contributed to the downfall of the Communist regime

The Popular Encyclopedia, 1837 **Current Catalog** National Library of Medicine (U.S.), 1966 Includes subject section name section and 1968 1970 technical reports **Russia Abroad** Marc Raeff, 1990 The dramatic events of the twentieth century have often led to the mass migration of intellectuals professionals writers and artists One of the first of these migrations occurred in the aftermath of the Russian Revolution when more than a million Russians were forced into exile With this book Marc Raeff one of the world s leading historians of Russia offers the first comprehensive cultural history of the Great Russian Emigration He examines the social and institutional structure of the emigration and describes its rich cultural and intellectual life He points out that what distinguishes this emigration from other such episodes in European history is the extent to which the emigres succeeded in reconstituting and preserving their cultural creativity in the West The flourishing Russian communities of Paris Berlin Prague and Kharbin not only enriched Russian arts and letters but also significantly influenced the culture of their Western hosts and Raeff concludes with an assessment of their impact on the development of modern Western and Soviet culture
