Workshop Report on "strengthening Networking Amongst Public Administration/development Management Institutes" ,2002 Building State Capacity in Africa Brian Levy,Sahr John Kpundeh,2004-01-01 This publication considers options for strengthening institutional capacity within the public sector in African countries by drawing on the experiences of public sector reform programmes in over a dozen African states Issues discussed include the relationship between governance and economic development public expenditure and accountability anti corruption reforms the politics of decentralisation political structures and public service delivery New Public Management in Africa Benon C. Basheka,Lukamba-Muhiya. Tshombe,2017-08-25 The administrative sciences have been dominated by a turn to managerial perspectives in the late 20th and early 21st centuries and in the spirit of this turn New Public Management or NPM promises to produce efficient responsible and client oriented public services The reforms carried out in the pursuit of New Public Management are often accompanied by great optimism and rapid enthusiastic steps toward implementation Even in highly developed industrial countries however these fundamental reforms often overlook the political and cultural contexts of the implementing country New Public Management in Africa Emerging Issues and Lessons provides much needed theoretical foundations for NPM reforms in the African context and reflects on the success of existing reforms in the development of several African states The individual contributions in this timely volume provide important analyses of academic discourse practical policy achievements and desiderata The book as a whole however provides a valuable impetus for public administration research in and on African states sharing findings on the results of reforms to date and adjustments required for these reforms to succeed For public administration researchers outside of Africa this book offers a review of New Public Management case studies that are unavailable or difficult to find elsewhere contributing much to the exchange between African and Western administration science research and demonstrating that African administrative research is well prepared to help resolve global challenges State of the Art in Partial Least Squares Structural Equation Modeling (PLS-SEM) Lăcrămioara Radomir,Raluca Ciornea,Huiwen Wang,Yide Liu,Christian M. Ringle,Marko Sarstedt,2023-09-15 This edited volume brings together some of the best papers from the 2022 Conference on Partial Least Squares Structural Equation Modeling PLS SEM held at the Babe Bolyai University Cluj Romania The volume seeks to expand the current research on PLS SEM and promote the method s application in the scientific community It gathers research from scholars in many different fields who work on the advancement of PLS SEM and who apply the method to explain and predict behavioral phenomena Researchers today can draw on a wide array of different PLS SEM based algorithms complementary methods and model evaluation metrics Tying in with these developments the first part of this book documents methodological advances of PLS SEM which extend the researchers current toolbox of methods The following parts demonstrate state of the art applications of PLS SEM in various fields such as consumer behavior hospitality human resource management
