autonomy in an era when freedom was not clear and unhindered anywhere for people of African descent In a tour de force of historical investigation on two continents Lindsay tells a story of Vaughan s survival prosperity and activism against a seemingly endless series of obstacles By following Vaughan s transatlantic journeys and comparing his experiences to those of his parents contemporaries and descendants in Nigeria and South Carolina Lindsay reveals the expansive reach of slavery the ambiguities of freedom and the surprising ways that Africa rather than America offered new opportunities for people of African descent *New York Magazine* ,1997-05-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Christian Advocate ,1906 The Second Century Mark T.
