A Study of Service Tax in India and it's Analysis Dr. Makarand Raghunath

Sakhalkar,2018-03-05 Based on recommendations made by Chelliah Committee on Tax Reforms Service Tax was introduced for the first time in the year 1994 It is a Union levy with a selective approach whereby it is applicable to selected categories of services and not to all the services The system of levy and collection of Excise Duties on goods is in existence since 1944 under Central Excise Act 1944 However the concept of levy and collection of Service Tax on paid services was introduced in India for the first time in 1994 by the then Finance Minister Dr Manmohan Singh It is a tax levied on the transaction of certain specified services by the Central Government under the Finance Act 1994 It is an indirect tax which means that normally the service provider pays the tax and recovers the amount from the recipient of taxable service *Taxmann's GST Manual with GST Law Guide & Digest of Landmark Rulings - Incorporating CGST/IGST/UTGST/Compensation Cess Acts | Rules | Forms | Notifications (incl. rates) | Circulars | CBIC FAQs* Taxmann,2025-09-29 GST Manual with GST Law Guide
