Tale of Two Cities Study Guide 415, 2008-03-07 Study Guide by Jeannie Buchholz for the novel written by Charles Dickens 1812-1870 who in honor of his accomplishments is buried in the Poet s Corner of Westminster Abbey England Recalled to life is the phrase running through the mind of Mr Lorry an agent of Tellson s Bank as he travels from London to Dover in the year 1775 In Dover he meets young Lucie Manette who after believing she was orphaned at the age of two learns that her father is still alive They travel on to France where they find Dr Manette under the care of his former servant Ernest Defarge in the St Antoine quarter of Paris After being imprisoned in the Bastille for 18 years Dr Manette is in a pitiable mental state and Miss Manette takes him back to London Five years pass and Dr Manette has regained physical and mental vigor and has set up a medical practice He and his daughter are called to testify against Charles Darnay a Frenchman accused of treason due to his suspicious travels between France and England But Darnay is acquitted when a witness admits that Darnay s close resemblance to Sydney Carton a lawyer in the court room makes positive identification impossible Both Darnay and Carton are infatuated with the lovely Miss Manette Because Carton sees himself as incapable of

bettering himself he does not feel worthy to ask Lucie to marry him Darnay does marry Lucie and imparts to her father the secret of his true identity The shock of this discovery causes Dr Manette to revert back to his deteriorated mental state while Lucie and Charles are away on their honeymoon He recovers before their return with the assistance of their trusted friend Mr Lorry and their domestic life continues peacefully for many years In France however the oppressed lower classes are preparing for revolution and the DeFarges are in the midst of it After the start of the Revolution Darnay returns to France to aid an imprisoned former servant Revealed as an aristocrat and emigrant Darnay himself is imprisoned Dr Manette and Lucie follow Darnay to France There they Mr Lorry and Sydney Carton witness the ravages of the aftermath of the French Revolution as they struggle to gain Darnay s release As Dickens so eloquently began the book It was the best of times it was the worst of times

Understanding Charles Dickens's A Tale of Two Cities : A study guide Charles Dickens,2019-02-12 A Tale of Two Cities 1859 is a novel by Charles Dickens set in London and Paris before and during the French Revolution The novel depicts the plight of the French peasantry demoralised by the French aristocracy in the years leading up to the

revolution the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution and many unflattering social parallels with life in London during the same period It follows the lives of several characters through these events *A Tale of Two Cities* was published in weekly instalments from April 1859 to November 1859 in Dickens's new literary periodical titled *All the Year Round* All but three of Dickens's previous novels had appeared only as monthly installments It was the time of the French Revolution a time of great change and great danger It was a time when injustice was met by a lust for vengeance and rarely was a distinction made between the innocent and the guilty Against this tumultuous historical backdrop Dickens's great story of unsurpassed adventure and courage unfolds Unjustly imprisoned for 18 years in the Bastille Dr Alexandre Manette is reunited with his daughter Lucie and safely transported from France to England It would seem that they could take up the threads of their lives in peace As fate would have it though the pair are summoned to the Old Bailey to testify against a young Frenchman Charles Darnay falsely accused of treason Strangely enough Darnay bears an uncanny resemblance to another man in the courtroom the dissolute lawyer's clerk Sydney Carton It is a coincidence that saves Darnay from certain doom more than once Brilliantly plotted the novel is rich in drama romance and heroics that culminate in a daring prison escape in the shadow of the guillotine Novel by Charles Dickens published both serially and in book form in 1859 The story is set in the late 18th century against the background of the French Revolution Although Dickens borrowed from Thomas Carlyle's history *The French Revolution* for his sprawling tale of London and revolutionary Paris the novel offers more drama than accuracy The scenes of large scale mob violence are especially vivid if superficial in historical understanding The complex plot involves Sydney Carton's sacrifice of his own life on behalf of his friends Charles Darnay and Lucie Manette *A Tale of Two Cities* Ruth F. Glancy, 2014-06-23 First published in 1993 This annotated bibliography covers all material relating to *A Tale of Two Cities* from Dickens's first hints of it in his *Book of Memoranda* to critical studies published in 1991 It is divided into three main parts Text Studies and Selected Bibliography **CliffsNotes on Dickens' A Tale of Two Cities** Marie Kalil, 2011-05-18 The original CliffsNotes study guides offer expert commentary on major themes plots characters literary devices and historical background The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format In *CliffsNotes on A Tale of Two Cities* you experience one of Charles Dickens's most important works as he recounts the horrors of the French Revolution in what amounts to a cautionary tale warning of the possibility of revolution in 18th century England From its first line It was the best of times it was the worst of times to its last It is a far far better thing that I do than I have ever done it is a far far better rest that I go to than I have ever known Dickens's novel of revolution sacrifice and redemption continues to captivate modern imaginations Chapter summaries and commentaries lead you through Dickens's Tale and critical essays give you insight into the women of *A Tale of Two Cities* and the French Revolution Other features that help you study include Character analyses of the main characters A character map that graphically illustrates the

relationships among the characters A section on the life and background of Charles Dickens A review section that tests your knowledge A Resource Center full of books articles films and Internet sites Classic literature or modern day treasure you ll understand it all with expert information and insight from CliffsNotes study guides

Charles Dickens's A Tale of Two Cities Ruth Glancy,2013-10-23 Since its publication in 1859 A Tale of Two Cities has remained the best known fictional recreation of the French Revolution and one of Charles Dickens s most exciting novels A Tale of Two Cities blends a moving love story with the familiar figures of the Revolution Bastille prisoners a starving Parisian mob and an indolent aristocracy Taking the form of a sourcebook this guide to Dickens s dramatic novel offers extensive introductory comment on the contexts and many interpretations of the text from publication to the present annotated extracts from key contextual documents reviews critical works and the text itself cross references between documents and sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading This volume is essential reading for all those beginning detailed study of A Tale of Two Cities and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Dickens text

A Tale of Two Cities In Plain and Simple English Charles Dickens,2013-10-28 Charles Dicken s A Tale of Two Cities is considered one of the greatest novels ever wrote It also can be difficult to understand it is loaded with themes imagery and symbols If you need a little help understanding it let BookCaps help with this study guide Along with chapter by chapter summaries and analysis this book features the full text of Dicken s classic novel is also included BookCap Study Guides are not meant to be purchased as alternatives to reading the book
