Lucy Mason and Alice Shipley were once inseparable friends. They shared a room together and were each other's greatest confidante. However, after the accident at Bennington, their sweet friendship went sour, and they haven't spoken in a year. Lucy was the last person Alice expected to see in Tangier. Lucy arrived with her husband. When she recognized Alice was in Tangier, she tried to make things right and go back to the friendship they once had. Though a newcomer, Lucy helps Alice explore the country. Things suddenly went shaky when Alice's husband John went missing. Alice began to question everything, and everyone around her. National bestselling author Christine Mangan's debuts with her first suspense novel *Tangerine*. In *Tangerine*, Mangan tells the story of a friendship of two women gone awry. *The Missourian* calls *Tangerine* an unputdownable novel whose mystery has the flair of a Hitchcock screenplay. *A Brief Look Inside EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER* than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. *Conversation Starters* is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to create hours of conversation, promote an atmosphere of discussion for groups, foster a deeper understanding of the book, assist in the study of the book either individually or corporately. Explore unseen realms of the book as never seen before. **Disclaimer:** This book you are about to enjoy is an independent resource meant to supplement the original book.
