

TIPS ON ANSWERING QUESTIONS THAT REQUIRE YOU TO EVALUATE USEFULNESS

Do	Don't
▶ Infer on what the source tells you about the topic stated in the question. ▶ Remember that every source has its usefulness. ▶ Check the reliability of the source. This can be done through CR or CAP. ▶ Link back to the question of usefulness if you are checking the reliability of the source. Example If what Source A says is supported by Source B, then Source A is reliable, and hence useful.	▶ Simply copy information from or paraphrase the source ▶ Simply dismiss the source as unreliable or biased. ▶ Simply end the paragraph on checking reliability with "Thus Source A is reliable" without linking back to the usefulness of the source.

The Swahili World

Stephanie Wynne-Jones,Adria LaViolette,2017-10-16 The Swahili World presents the fascinating story of a major world civilization exploring the archaeology history linguistics and anthropology of the Indian Ocean coast of Africa It covers a 1 500 year sweep of history from the first settlement of the coast to the complex urban tradition found there today Swahili towns contain monumental palaces tombs and mosques set among more humble houses they were home to fishers farmers traders and specialists of many kinds The towns have been Muslim since perhaps the eighth century CE participating in international networks connecting people around the Indian Ocean rim and beyond Successive colonial regimes have helped shape modern Swahili society which has incorporated such influences into the region s long standing cosmopolitan tradition This is the first volume to explore the Swahili in chronological perspective Each chapter offers a unique wealth of detail on an aspect of the region s past written by the leading scholars on the subject The result is a book that allows both specialist and non specialist readers to explore the diversity of the Swahili tradition how Swahili society has changed over time as well as how our understandings of the region have shifted since Swahili studies first began Scholars of the African continent will find the most nuanced and detailed consideration of Swahili culture language and history ever produced For readers unfamiliar with the region or the people involved the chapters here provide an ideal introduction to a new and wonderful geography at the interface of Africa and the Indian Ocean world and among a people whose culture remains one of Africa s most distinctive achievements

Education in Tanzania in the Era of Globalisation Lugalla, Joe L.P.,Ngwaru, Jacob Marriote,2019-03-31 Education in Tanzania in the Era of Globalisation Challenges and Opportunities is a product of papers presented at a National Education Conference held in Dodoma Tanzania in November 2016 and organised by the Aga Khan University Institute for Educational Development East Africa AKU IED EA At present Tanzania s development direction is guided by Vision 2025 which aims to achieve a high quality livelihood for its people be attainment of Vision 2025 will depend largely on rapid socio economic development based on several social and economic pillars including most importantly education Clearly for Tanzania the scope and quality of education remains the single most important prerequisite to the attainment of Vision 2025 and the 17 Sustainable Development Goals SDGs The individual chapters in this publication and their collective thrust discuss the challenges in the education system in good faith and in the spirit of cooperation and collaboration guided by the belief that it is not the responsibility of the Government alone to see how these can be addressed AKU IED EA has identd this

as the responsibility of all well meaning corporate bodies and citizens and initiated thst conference of its type as its contribution to thore conference as well as the publication has to be seen as a model of good practice for universities in terms of sharing knowledge experience and practice with other stakeholders who are not in the academy and more so with politicians as well as government policy planners The various authors of Education in Tanzania in the Era of Globalisation Challenges and Opportunities discuss issues within the context of the Tanzanian political economy against the effects of globalization and seek to initiate a new kind of debate that is long overdue a debate aimed at charting out appropriate strategies whose objective is to improve the quality of education in Tanzania so that it becomes a useful vehicle in enhancing processes of social change transformation and development

Primates in Flooded Habitats Katarzyna Nowak,Adrian A. Barnett,Ikki Matsuda,2019-01-03 A ground breaking study of primates that live in flooded habitats around the world *The Oxford Handbook of Women and Competition* Maryanne L. Fisher,2017-08-14 While women are generally perceived to be less competitive than men women compete in many ways and in a variety of situations Women try to make themselves look more attractive to draw the attention of a desirable mate They will use gossip as a form of informational warfare to influence reputations They compete as mothers to gain access to resources that directly influence the health of their children They use selfies posted on social media to manipulate others perceptions Women compete all of their lives in the womb through adolescence and adulthood and into their elder years The topic of women s competition has gained significant momentum over the years Edited by Maryanne L Fisher The Oxford Handbook of Women and Competition provides readers with direct evidence of this growth and is one of the first scholarly volumes to focus specifically on this topic Fisher and her team of contributors offer a definitive worldview of the current state of knowledge regarding competition among women today Many of the chapters are grounded within an evolutionary framework allowing for authors to investigate the adaptive nature of women s competitive behaviors motivations and cognition Other chapters rely on alternative frameworks with contributors also asserting that socio cultural forces are the culprit shaping women s competitive drives Additionally several contributors focus their attention on issues faced by adolescent girls and explore the developmental trajectories for young women through adulthood Designed to serve as a source of inspiration for future research and direction The Oxford Handbook of Women and Competition is a stand out scholarly text focusing on the many competitive forces driving women today
