

FOREWORD

This manual contains an introductory description of the SUZUKI FLHR and procedures for its proper maintenance and overhaul of its main components. Other information considered as generally known is not included.

Read the GENERAL INFORMATION section to find out what you need to know about the motorcycle. Use this section as well as other sections to use as a guide for proper inspection and service.

This manual will help you know the motorcycle better so that you can deliver your customers of top and reliable service.

- * This manual has been prepared on the basis of the latest specifications at the time of publication. Modifications have been made since then. Differences may exist between the contents of this manual and the actual motorcycle.
- * Illustrations in this manual are used to show the basic principles of operation and work procedures. They may not represent the actual motorcycle exactly in detail.
- * This manual is written for persons who have enough knowledge, skills and tools, including special tools, for servicing SUZUKI motorcycles. If you do not have the proper knowledge and tools, ask your authorized SUZUKI motorcycle dealer to help you.

WARNING

Inexperienced mechanics or mechanics without the proper tools and equipment may not be able to properly perform the services described in this manual. Improper repair may result in injury to the mechanics and may void the motorcycle warranty for the rider and passenger.

IMPORTANT (For USA)

All street-legal Suzuki motorcycles with engine displacement of 50 cc or greater are subject to Environmental Protection Agency emission regulations. These regulations set specific standards for reduced emission output levels as well as particular servicing requirements. This manual includes specific information required to properly inspect and service FLHR in accordance with all EPA regulations. It is strongly recommended that the Chapter on Emission Control, Periodic Servicing and Lubrication be thoroughly reviewed before any type of service work is performed.

Further information concerning the EPA emission regulations and U.S. Suzuki emission control program can be found in the U.S. SUZUKI EMISSION CONTROL PROGRAM MANUAL, SERVICE BULLETIN.
