Digital Business and Electronic Commerce Bernd W. Wirtz, 2024-06-04 This textbook introduces readers to digital business from a management standpoint. It provides an overview of the foundations of digital business with basics activities and success factors and an analytical view on user behavior. Dedicated chapters on mobile and social media present fundamental aspects, discuss applications and address key success factors. The Internet of Things (IoT) is subsequently introduced in the context of big data, cloud computing and connecting technologies with a focus on industry 4.0 and the industrial metaverse. In addition, areas such as smart business services, smart homes and digital consumer applications as well as artificial intelligence, quantum computing and automation based on artificial intelligence will be analysed. The book then turns to digital business models in the B2C business to consumer and B2B business to business sectors. Building on the business model concepts, the book addresses digital business strategy, discussing the strategic digital business environment and digital business value activity systems (dVASs) as well as strategy development in the context of digital business. Special chapters explore the implications of strategy for digital marketing and digital procurement. Lastly, the book discusses the fundamentals of digital business technologies and security and provides an outline of digital business implementation. A comprehensive case study on Google Alphabet explains Google's organizational history, its integrated business model and its market environment, rounding out the book.

Danger Close Charlie Flowers, 2013-09-23 Rizwan Sabir returns. And this time his enemy has a familiar face. According to confidential reports, elements of the Metropolitan Police have been penetrated by a violent terror group. With rising tension within the police force, time is quickly running out for Riz. His task: to identify the target and neutralise the enemy before they strike. But before he can begin, there is a desperate mission that must be completed at all costs. Riz must find his fiancée, dead or alive. Do the Americans have her body? Is she in Gitmo or a Black Site? Who or what is the Fox Princess? Can Riz find his fiancée, bring back his team and once again take out the terrorist threat? Bad things are going to happen and the only people who can stop them are Riz and his gang. *Hard Kill* was originally published as *The Fox Princess*.
