These Difficult Times Danny Ray Christian,2020-05-13 The two most powerful words in the world are I AM for anything we say after I AM we will believe and make come true as we truly are whatever we say we are If we say we are victors over this virus we will prove it by conquering it with the faith and wisdom God gives us Four other words that are as powerful as I AM are I believe in you These four words have helped shepherd boys bring down giants and dreamers to shape history What we

believe about ourselves and each other is what is going to get us through this crisis We have been commanded by God to speak to the mountain we want moved out of our way This is a book that speaks to the warrior in every man woman and child that is threatened by the Coronavirus or any other stealer of life In times of trouble and darkness a standard must always be raised up to lead the people in battle I perceive this book as being a beacon to guide us safely through this storm No enemy prevails over the wall of our faith for as he tries to scale its walls we raise our faith to a higher level forever determined to not let him supersede it For every attack of the enemy we have a defense under the cover of God's wing which holds us as close to Him as He is to us The right words at the right time can always spark a new hope and outlook for anyone who is being tried by adversity This book may not stop this pandemic but I believe it can give us a reason to believe that it will be brought to an end soon enough Just as we have gathered around the camp fire and fireplace in the past while the vigil candle burned in the window we can gather around the words of this book to draw comfort and encouragement from people who know what it is to be tried by fire without being consumed This is a small book but the inspiring quotes and meditations in it are big they can do the soul good like a medicine if we take them with a little a faith in the strength they offer
