Sponsor Proposal For Soccer Academy:

A Social History of Indian Football Kausik Bandyopadhyay, Boria Majumdar, 2018-10-24 A Social History of Indian Football covers the period 1850-2004. It considers soccer as a derivative sport creatively and imaginatively adapted to suit modern Indian socio-cultural needs designed to fulfil political imperatives and satisfy economic aspirations. The book is concerned with the appropriation, assimilation and subversion of sporting ideals in colonial and post-colonial India for nationalist needs. The book assesses the role of soccer in colonial Indian life to delineate the inter-relationship between those who patronised, promoted, played and viewed the game to analyse the impact of the colonial context on the game's evolution and development and shed light on the diverse nature of trysts with the sport across the country. Throughout this book, soccer is the lens that illuminates India's colonial and post-colonial encounter. This volume was previously published as a special issue of the journal *Soccer and Society*.

An American Soccer Dream Kenneth Jones, 2011-07-01 An American Soccer Dream walks through the trials and tribulations of retooling the United States National Soccer Program. Using many resources previously untapped, talent pools, an array of underutilized ethnic soccer clubs, the power of technology and one of the best sports marketers, two friends, one a foot soldier in the national soccer federation and another a technology professional with a love of the game, work tirelessly to implement their vision. An American Soccer Dream chronicles the team's exploits traveling the streets of America and beyond, detailing efforts to raise an organization to new heights and winding their way throughout North and Central America before the team's journey ultimately concludes at the World Cup Finals in Brazil in the June of 2014. But as the players and coaches travel this road together, something even more special is sparked: a spirit and kinship of family which brings together this set of diverse human beings.
