most widely read poets in the United States Now in this rich illuminating biography Susan Cheever traces the development of the poet and his work She takes us from Cummings s seemingly idyllic childhood in Cambridge Massachusetts through his years at Harvard rooming with Dos Passos befriending Malcolm Cowley and Lincoln Kirstein There he devoured the poetry of Ezra Pound whose radical verses lured the young writer away from the politeness of the traditional nature poem towards a more adventurous sexually conscious form We follow Cummings to Paris in 1917 and finally to Greenwich Village to be among other modernist poets of the day Marianne Moore and Hart Crane among them E E Cummings is a revelation of the man and the poet and a brilliant reassessment of the freighted path of his legacy
