Spud - Learning to Fly John van de Ruit, 2011-06-02 Spud Milton practically a man in most areas is hoping for a smooth ride as he returns to boarding school as a senior But instead he finds his vindictive arch enemy is back to taunt him and a garrulous new boy has taken residence in his dorm along with the regular inmates and misfits he calls friends Spud's world has never felt more uncertain as he attempts to master Shakespeare girls religion and the meaning of life Once again armed only with his wits and his diary Spud invites us on a hilarious journey deep into the sublime and ridiculous world of being a teenager

Spud: The Reunion John van de Ruit, 2025-07-17 It is 2003 ten years since Spud Milton's class of 93 matriculated Despite their seemingly unbreakable bond the Crazy Eight have not kept in touch since going their separate ways An invitation from the school to attend their ten year reunion weekend has an unsettling effect on Spud the former scholarship boy triggering a tumult of emotions not all of which are comfortable Of one thing he is sure there is no way he'll be attending the reunion The prospect of having to reveal his decade of spectacular non achievement to a bunch of trust fund kids who've never known a day of financial anxiety hardens his resolve At twenty eight Spud is stuck in a one third life crisis facing the stark possibility that his glittering theatre career has stalled before it's even begun Not only that he still doesn't have a girlfriend And certain circumstances have forced him to move back in with his parents and his senile grandmother Wombat whose walks never end where they begin But Spud hasn't reckoned with powerful behind the scenes machinations that are already at work A bombardment of messages and darkly threatening phone calls from unknown numbers sees his resistance begin to crumble and his curiosity piqued It's just a weekend after all what else could possibly go wrong

The Making of Spud the Movie John van de Ruit, 2012-09-27 10 of several other brilliant things you'll never know about Spud The Movie unless you read this book 1 That John van de Ruit has a small cameo in the movie for which he had to cultivate an authentic 90s look 2 What unusual skill John Cleese and his chaperon on the movie set had in common 3 Whose hair and eyebrows had to be dyed daily for his role as one of the Crazy Eight 4 That it took eight days to shoot the nightswimming sequences and only three hours to shoot the actual swimming in the dam 5 How director Donovan Marsh earned the nickname Stonewall 6 Why the authors of this book could be considered magnets for disasters of huge proportions natural and otherwise 7 How Troye Sivan fell victim to adolescence and nearly scuppered the movie 8 Why Sir Tim Rice of Lion King fame was spotted lurking in the Midlands during the shoot 9 That unless his shoes are in view John Cleese performs most of his scenes in evening slippers 10 What Hugh Grant might have said upon receiving Spud the screenplay Author of the bestselling Spud series of books John van de Ruit and movie producer Ross Garland offer a real insider's view into the journey that began with a book about a young boy struggling for acceptance at boarding school and ended with bringing the Crazy Eight and their legendary exploits explosively to life on the big screen From raising the money to finding the stars and shooting on set at the school where the dream began this is an invaluable souvenir for existing and new Spud fans
