 Sri Ameresekere,2011-04-25 This shockingly explosive Book deals with the manipulative privatization of Sri Lanka Insurance
 under a privatization program pushed by IMF World Bank and ADB questionably mishandled by PricewaterhouseCoopers and
 Ernst involving a consortium of leading corporates controlled by one individual portrayed as a close associate of former US
 President Bill Clinton This dubious deal was annulled as wrongful unlawful and illegal by the Supreme Court the highest
 judiciary observing that it shocked the conscience of Court asserting that public assets are held in trust on behalf of the
 people This Book exposes those holding elected and selected influential and powerful public office unabashedly
 compromising national and public interests in the disposal of an invaluable national asset at a ridiculous price to parties who
 had not even been pre qualified with one party incorporated in Gibraltar after the completion of the process and whose
 source of funds channeled through a leading Bank remained a mystery This Book appallingly reveals how pontificating
 professionals retrospectively manipulated the financials of Sri Lanka Insurance facilitating a fraudulent demand for a refund
 from the Government It reveals the unashamed condoning of fraud and corruption and bestowing on corrupt miscreants even
 more recognition shunning the rule of law and the absence of law enforcement and the duplicitous stances of the Chamber of
 Commerce and the Institute of Chartered Accountants This book is an eye opener on socio political realities and is invaluable
 to those dealing with privatization public finance and commerce fraud and corruption forensic accounting and to legal
