Review of the United Nations Charter United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on the United Nations Charter, 1954

The First American Political Conventions Stan M. Haynes, 2014-01-10

For almost two centuries Americans have relied upon political conventions to provide the nation with new leadership

The modern convention a four day carefully choreographed prime time television event designed to portray the party and its candidate in the most favorable light continues many of the traditions and rules developed during the first conventions in the mid 19th century

This study analyzes the birth of the convention process in the 1830s and follows its development over 40 years chronicling each of the presidential elections between 1832 and 1872 the leading candidates and an analysis of the key issues and memorable speeches and events on the convention floor

Other topics include back room deal making dark horse candidacies meeting halls parades rallies and other accompanying hoopla

This volume reveals the origins of a quintessentially American spectacle and sheds new light on an understudied aspect of the nation s political past
