A State-by-State History of Race and Racism in the United States Patricia Reid-Merritt,2018-12-07 Providing chronologies of important events historical narratives from the first settlement to the present and biographies of major figures this work offers readers an unseen look at the history of racism from the perspective of individual states From the initial impact of European settlement on indigenous populations to the racial divides caused by immigration and police shootings in the 21st century each American state has imposed some form of racial restriction on its residents The United States proclaims a belief in freedom and justice for all but members of various minority racial groups have often faced a different reality as seen in such examples as the forcible dispossession of indigenous peoples during the Trail of Tears Jim Crow laws crushing discrimination of blacks and the manifest unfairness of the Chinese Exclusion Act Including the District of Columbia the 51 entries in these two volumes cover the state specific histories of all of the major minority and immigrant groups in the United States including African Americans Hispanics Asian Americans and Native Americans Every state has had a unique experience in attempting to build a community comprising multiple racial groups and the chronologies narratives and biographies that compose the entries in this collection explore the consequences of racism from states perspectives revealing distinct new insights into their respective racial histories

Mine! Michael A. Heller,James Salzman,2022-02-15 Mine is one of the first words babies learn and by the time we grow up the idea of ownership seems natural whether we are buying a cup of coffee or a house But who controls the space behind your airplane seat you reclining or the squished laptop user behind you Why is plagiarism wrong but it s okay to knock off a recipe or a dress design And after a snowstorm why does a chair in the street hold your parking space in Chicago while in New York you lose both the space and the chair In Mine Michael Heller and James Salzman two of the world s leading authorities on ownership explain these puzzles and many more Remarkably they reveal there are just six simple rules that everyone uses to claim everything Owners choose the rule that steers us to do what they want But we can pick differently This is true not just for airplane seats but also for battles over digital privacy climate change and wealth inequality Mine draws on mind bending often infuriating and always fascinating accounts from business history courtrooms and everyday life to reveal how the rules of ownership control our lives and shape our world *The Counselor and the Law* Anne Marie
