

US Attorneys' Manual, Title 9, Section 27 - Principles of Federal Prosecution

(<https://www.justice.gov/usam/usam-9-27000-principles-federal-prosecution#9-27.001>)

- “promote the reasoned exercise of prosecutorial authority and contribute to the fair, evenhanded administration of the Federal criminal laws.”
- “A determination to prosecute represents a policy judgment that the fundamental interests of society require the application of the criminal laws to a particular set of circumstances—recognizing both that serious violations of Federal law must be prosecuted, and that prosecution entails profound consequences for the accused and the family of the accused whether or not a conviction ultimately results.”

States. Department of Justice, 1985 **United States Attorneys' Manual** , 1976 **United States Attorneys' Manual:**
Title 4. Civil Division; Title 5. Land and Natural Resources Division; Title 6. Tax Division; Title 7. Antitrust
Division; Title 8. Civil Rights Division United States. Department of Justice, 1988 **Prosecutors and Democracy**
Máximo Langer, David Alan Sklansky, 2017-10-26 Focusing on the relationship between prosecutors and democracy this
volume throws light on key questions about prosecutors and the role they should play in liberal self government
Internationally distinguished scholars discuss how prosecutors can strengthen democracy how they sometimes undermine it
and why it has proven so challenging to hold prosecutors accountable while insulating them from politics The contributors
explore the different ways legal systems have addressed that challenge in the United States the United Kingdom and
continental Europe Contrasting those strategies allows an assessment of their relative strengths and a richer understanding
of the contested connections between law and democratic politics Chapters are in explicit conversation with each other
facilitating comparison and deepening the analysis This is an important new resource for legal scholars and reformers
political philosophers and social scientists The Politics of Federal Prosecution Christina L. Boyd, Michael J. Nelson, Ian
Ostrander, Ethan D. Boldt, 2021-01-01 Federal prosecutors have immense power and discretion to decide when to bring
criminal charges what plea bargains to offer and how to implement the federal government's legal priorities in their districts
While U S Attorneys take pains to emphasize their independence we know relatively little about the extent to which politics
colors federal prosecutorial staffing and decision making The Politics of Federal Prosecution draws upon a wealth of data
from 1990s to the present to examine the interplay of political factors and federal prosecution First the authors find that
congressional and presidential politics affect who becomes federal prosecutors and how long those individuals serve Second
the book demonstrates that signals of presidential and congressional preferences along with local priorities affect key
prosecutorial decisions whether to bring prosecutions how to approach plea bargaining negotiations and when to utilize
criminal asset forfeiture to cripple criminal activities In short the book demonstrates that politics affects the behavior of U S

on the global exchange of information to combat offshore tax evasion and analyse why Automatic Exchange of Information
AEOI is not a magic bullet solution Chapters include coverage of the Foreign Account Tax Compliance Act FATCA AEOI and
the Common Reporting Standards CRS and the unprecedented extra territorial enforcement by the United States of its tax

and reporting laws including the FBAR provisions of the Bank Secrecy Act These new legal regimes directly impact nearly all financial institutions and financial service providers in the U S U K EU Canada and each of the 132 member jurisdictions of the OECD s Global Forum as well as 8 million U S expats In light of The Panama Papers this book offers a timely and valuable contribution on the prevalence and costs of international tax evasion for the global financial community policy makers and practitioners alike *Department of Justice's Efforts to Prevent Staff Sexual Abuse of Federal Inmates* , **United States**
