Code of Federal Regulations, 1960 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries

Congressional Record United States. Congress, 1980

Church And State In American History John F Wilson, 2018-03-08 Provides the key source materials historical and legal for understanding the relationship of church and state The controversies surrounding aid to parochial schools blue laws school prayer and birth control programs have been central to the ongoing search for the proper boundary between religious and political authority in America This concise volume features chronologically organized selections from such official documents as colonial charters court opinions and legislation along with incisive twentieth-century interpretations of the issues they treat Historical figures as diverse as John F Kennedy Perry Miller Reinhold Niebuhr and Paul Blanshard together with contemporary ones illuminate the interrelationships between the legal political and religious structures of American society We encounter controversies every day that concern school vouchers prayer in schools and stadiums religious symbols in public spaces and tax support for faith-based social initiatives as well as arguments among advocates of pro-choice and pro-life positions These and other issues are at the center of an ongoing search for a means to delineate the interactions among religious and political authorities initially in the United States but increasingly in the rest of the world as well This concise

volume presents chronologically organized chapters that include selections from documents like colonial charters opinions of the Supreme Court and salient legislation along with contemporary commentary and incisive interpretations of the issues by modern scholars Figures as divergent as John Winthrop John F Kennedy and Sandra Day OConnor speak from these pages as directly as Paul Blanshard Reinhold Niebuhr John Courtney Murray and Robert Bellah Church and State in American History addresses the difficult relationships among the political and religious structures of our society and the emergence of an American solution to the church state problem
