Hard Lessons United States. Office of the Special Inspector

General for Iraq Reconstruction, 2009 Product Description The billions of dollars expended in Iraq constitute the largest relief and reconstruction exercise in American history SIGIR's lessons learned capping report characterizes this effort in four phases pre war to ORHA CPA post CPA Negroponte era and Khalilzad Crocker and the Surge From this history SIGIR forwards a series of conclusions and recommendations for Congress to consider when organizing for the next post conflict reconstruction situation Over the past five years the United States has provided nearly fifty billion dollars for the relief and reconstruction of Iraq This unprecedented rebuilding program implemented after the March 2003 invasion was developed to restore Iraq's essential services build Iraq's security forces create a market based economy and establish a democratic government all in pursuit of U S interests in a stable and free Iraq Did the U S rebuilding program achieve its objectives Was the money provided well spent or wasted What lessons have we learned from the experience Hard Lessons The Iraq Reconstruction Experience a report from the Special Inspector General for Iraq Reconstruction SIGIR answers these and other important questions by presenting a comprehensive history of the U S program chiefly derived from SIGIR's body of extensive oversight work in Iraq hundreds of interviews with key figures involved with the reconstruction program and thousands of documents evidencing the reconstruction work that was or was not done The report examines the limited pre war planning for reconstruction the shift from a large infrastructure program to a more community based one and the success of the Surge in 2007 and beyond Hard Lessons concludes that the U S government did not have the structure or resources in place to execute the mammoth relief and reconstruction plan it took on in 2003 The lessons learned from this experience create a basis for reviewing and reforming the U S approach to contingency relief and reconstruction operations

Hard Lessons: the Iraq Reconstruction Experience Stuart W. Bowen, 2009-05 A combination of poor planning weak oversight and greed cheated U S taxpayers and undermined American forces in Iraq and Afghanistan U S taxpayers have paid nearly 51 billion for projects in Iraq including training the Iraqi army and police and rebuilding Iraq's oil electric justice health and transportation sectors Many of the projects did not succeed partly because of violence in Iraq and friction between U S officials in Washington and Iraqi officials in Baghdad The U S gov't was neither prepared for nor able to respond quickly to the ever changing demands of stabilizing Iraq and then rebuilding it This report reviews the problems in the war effort which the Bush admin claimed would cost 2.4 billion Charts and tables State, Foreign Operations, and Related Programs Appropriations for 2015 United States. Congress. House. Committee on Appropriations. Subcommittee on State, Foreign Operations, and Related Programs, 2014 Resources in Education, 1998 *Tools for Institutional, Political, and Social Analysis of Policy Reform*, 2007-01-01 Analysis of the distributional impact of policy reforms plays an important role in the elaboration and implementation of poverty reduction strategies in developing and transitional countries promoting evidence based policy choices and fostering debate on policy reform options International agencies and national partners are increasingly encouraging a more systematic application of policy reform analysis Requisite to a systematic application is

capacity building within countries as well as within donor agencies Tools for Institutional Political and Social Analysis of Policy Reform A Sourcebook for Development Practitioners contributes to this agenda by introducing a framework and a set of practical tools that analyze the institutional political and social dimensions of policy design and implementation The authors fill a perceived gap in knowledge of the application of social tools and complement existing guidance on conventional economic analysis of distributional impacts of reform This book will be of interest to commissioners and practitioners working in policy analysis in a range of areas including macroeconomic sectoral and public sector policy that are subject to ongoing policy reform discussions BOOK JACKET
