Walk On Ben Malcolmson, Patti McCord, 2018-07-17 In this true compelling account of perseverance and hope from Seahawks Coach Pete Carroll's assistant a young journalist walks on to a top ranked USC football team and guided by his faith shares God's love launching him on an unexpected journey with an amazing outcome Had anyone told Ben Malcolmson that he'd someday be a wide receiver on the national champion USC football team after not playing football since an unfortunate fifth grade Pop Warner experience he would have called them crazy As a reporter for The Daily Trojan in the spirit of George Plimpton he participated in walk on tryouts for the team and was dumbfounded to find himself listed on the roster His position on the team never amounted to much in a game time contribution but Ben felt strongly that his faith was inextricably linked to his purpose He felt called to anonymously place Bibles in each USC teammate locker on Christmas Eve to resounding indifference and rejection from his friends It wasn't until three years later when his role at USC had led to a role with Coach Pete Carroll at the Seahawks organization that an old friend connected with Ben and told him that one of the Bibles had captivated the heart of a teammate in the three days before his death With a humble spirit dedicated to consistent acts of discipleship Ben Malcolmson is an authentic voice for the power of simple obedience and trust for what can happen when a

believer allows God to work in a life Walk On is the result of God using his faithful people to work in the lives of others

The Draft Pete Williams, 2024-09-04 An explosive look at the NFL Draft from the inside out that exposes the multilayered feeding frenzy that swarms around America's top college players The most comprehensive look at the draft ever The Sporting News The Draft follows a handful of NFL hopefuls through the ups and downs of the 2004 college football season and the pre draft process culminating with the 2005 draft Among the prospects are Virginia defensive end Chris Canty who overcomes a devastating early season knee injury to reestablish himself as a top draft hopeful only to suffer a detached retina in a nightclub skirmish and Fred Gibson a talented but rail thin Georgia wide receiver who struggles to put on the weight needed to go over the middle in the NFL It's a complex environment with college coaches attempting to protect their student athletes from exploitation while fully aware that they can only remain competitive if they attract NFL caliber players to their schools along with sports agents and NFL scouts trying to stay a step ahead of their competition These parties provide a multi angled view of the world of emerging NFL talent The reader follows the season through the eyes of a host of power players and scouts from veteran agent Pat Dye Jr to Jerry Maguire clone Jack Scharf to the coaching divisions of Florida State University and the University of Virginia headed by longtime Bill Parcells disciple Al Groh Also central to the narrative are the Atlanta Falcons and executives Rich McKay and Tim Ruskell now with Seattle who use a character based evaluation system to set their draft board These parallel stories weave together culminating in draft weekend to create a gripping and fascinating look at a world few see from the inside Fans will appreciate Williams's patient explanation of the vagaries of professional football's exhaustive job interview process Publishers Weekly Pete Williams as he has done throughout his career applies good old time journalism to provide a modern and important eye opener Phil Mushnick New York Post **Wooden: A**
