The Best Fruit Jacquelyn M. Ragin,2023-11-14 The Best Fruit is about how high emotional intelligence augments what the Christian Bible calls the fruit of the spirit The goal of this book is to highlight how increasing one s emotional intelligence actually augments the work of God in the individual The author emphasizes character traits and mental habits that can lead

to successful living greater leadership ability and relationship building as they relate to the fruit of the spirit Christians believe that God the Holy Spirit is at work to cultivate behavior and characteristics that are pleasing to God and that add not only to the individual's quality of life but to their community engagement The text gives several examples from the author's life experience from history and from the Bible of how emotions can hijack a person's cognitive ability Yet this book also extolls the virtues of high emotional intelligence and gives examples of its effect on a person's ability to successfully navigate life's challenges The author concludes with suggestions and resources to start increasing emotional intelligence

Theory S: Spiritual Leadership of Business Organizations Dr. N.S.P.RAJU, 2018-08-21 Leadership is a key function in the management of any organization Many theories exist for the choice of the best leadership style suiting a given situation But none of these could provide cure for the following maladies of the modern day businesses Intense competition amongst leaders causing abnormal stress and strain and the resultant degenerative diseases Fast paced depletion of natural resources leading to the gravest threat to our ecosystem Frequent recessions of the economy leading to lay offs retrenchments and plant closings The absence of meaning and purpose in the lives of organizational members The business world is in need of a panacea in the form of Exemplary Leadership that can eradicate above ills Only Spiritual Leadership based on the universal principles of Spirituality can provide the hope of rescue The book provides the quintessential qualities of Spiritual Leadership based upon the world's four major religions i.e Hinduism Christianity Islam and Buddhism

The Impact of Struggle on Spiritually-centered Educational Leaders and Their Leadership Timothy J. Schaid, 2005 Innovative Leadership in Times of Compelling Changes Joan Marques, 2021-10-31 This book focuses on the need of leaders in professional and personal realms to understand the importance of innovative thinking to safeguard sustainability and enhance satisfaction and motivation among stakeholders in organizations It provides professionals with a set of reflective stances cautionary points and roadmaps that enable them to do the right thing From crisis management to spiritual practices and from pro social concepts to social responsibility and sustainability the common denominator is a collective and concerted effort to develop leadership behaviors and strategies to safeguard generations to come Responsible Leadership Nicola M. Pless, Thomas Maak, 2012-11-27 These chapters on Responsible Leadership represent the latest thinking on a topic of increasing relevance in a connected world There are many challenges that still remain when it comes to establishing responsible leadership both in theory and practice Whilst offering conceptualisations for the improvement of leadership is a first and perhaps easier response what is more difficult is to facilitate the actual change to happen These chapters will not only generate interest in the emerging domain of studies on responsible leadership but also will pave the way for future research in this area in the years to come Previously Published in the Journal of Business Ethics Volume 98 Supplement 2 2011

The Right Leader Nat Stoddard, Claire Wyckoff, 2009-02-24 A trailblazing approach to choosing executives who both match the needs and fit the cultures of the organizations they will lead Leadership failures damage or even destroy companies every day To reduce the

costs of leadership failure the author has developed a revolutionary process for selecting executives based on his years of consulting for some of America's largest corporations The Right Leader details this new approach and how it eliminates the leadership failures that plague so many companies around the world today When executives don't address the right needs or can't lead the organization because of a poor fit with the corporation's cultures the company loses competitive advantage talented people and momentum The Right Leader introduces the revolutionary Match Fit Model and explains how it reduces the risks and costs of executive failure by changing the factors that are considered and by taking into account the cultural dynamics at play in any organization Nat Stoddard New York NY is Chairman of Crenshaw Associates a New York based consulting firm specializing in career and transition management for senior executives Claire Wyckoff New York NY is an accomplished writer and editor who has held executive positions in both the corporate and nonprofit sectors

Leadership Mindsets Linda Kaser, Judy Halbert, 2009-03-04 The evidence is clear school leaders make a difference to the learning of the pupils they serve And yet not all leaders have the same degree of impact What are the factors that make the difference to student learning Why are some leaders able to raise student achievement in schools in the most challenging circumstances whilst other leaders struggle to simply maintain the status quo Drawing from international case study research over many years from the experience of hundreds of school leaders serving widely diverse communities Judy Halbert and Linda Kaser argue that there are six distinct mindsets that characterize the way successful learning oriented leaders operate and make sense of their professional world These leaders are motivated by intense moral purpose knowledgeable about current models of learning consistently inquiry oriented able to build trusting relationships evidence informed able to move to wise action This book outlines an alternative way of thinking about school leadership It examines research evidence that leaders will find most useful and suggests how they might use this evidence to maximise their learning and the learning of their students Leadership Mindsets has been written specifically for aspiring to newly appointed school leaders who are determined and motivated to create quality and equality for learners in the schools they serve through networks of inquiry learning and support

Starve the Ego: Feed the Soul! Souldrama: Ignite Your Spiritual Intelligence!
