Lockhart, 2016-10-08 *Maximize Your School Marketing* offers school administrators effective ways to enhance their existing school marketing strategy using the essential elements of public relations media relations social media community partnerships and fundraising Extensive examples and case studies serve to illustrate key information Finally three real life school marketing success stories provide illustration motivation and inspiration Throughout the book information is presented in concise topic related sections for easy reference with examples and illustrations to facilitate implementation of marketing public relations and communication strategies The author relied heavily on personal marketing communication and public relations experience in both the private sector and public education

Contemporary Issues in Finance and Insolvency Law Volume 1 Leon Trakman, Robert Walters, 2022-08-17 There is increasing regulatory interdependence amongst Central East and South East Asian European and North American financial markets and these markets account for over one third of the world's population and global financial markets As Asian markets become more integral to global financial economy more cohesive compatible and integrated insolvency and restructuring laws are essential

This two volume work reviews why we should internationalise current cross border insolvency and how we could restructure laws to address inadequacies The two volumes evaluate international regulatory reforms directed at detecting and managing cross border insolvency and restructuring crises across the entire economy including financial markets The authors call for schemes of arrangements and letters of comfort to be formally accepted as international legal tools The work also assesses recent but as yet largely unregulated developments in financial agreements particularly the use of close out netting provisions that serve as significant protective mechanisms prior to the declaration of an insolvency It discusses international arbitration data protection and artificial intelligence in crossborder insolvency and restructuring Finally the book seeks a meaningful balance between self regulation through financial contracts and other party practices and regulation imposed by governments and international financial regulators This extensive work will be a useful reference for legal practitioners policy makers and scholars working on financial regulation and international financial laws
