Pandora, Stacey Hayman, 2013-08-15 In this practical guidebook experienced librarians a public librarian and a school librarian share advice and ideas for extending resources containing costs and leveraging capabilities between school and public libraries offering insights and strategies to overcome today s economic challenges The current economic crisis has had a drastic impact on both public and school libraries As budgets shrink resources become scarcer and the job of the librarian becomes harder The conundrum of doing more with less challenges even the most seasoned professionals whose institutions face service cutbacks disappointed patrons and possible job eliminations or closures This book asserts that a collaboration between school and public libraries can effectively serve the needs of two populations teens and the community at large while minimizing the cost to do so Better Serving Teens through School Library Public Library Collaborations offers thought provoking advice and ideas for practical use in real world libraries The authors provide step by step guidance for those who wish to start

strengthen or extend a partnership with colleagues at a sister library covering topics ranging from teen advisory boards and collaborative programs to homework help and professional development Veterans in the field as well as beginners can utilize the wealth of tools within including worksheets timelines and checklists to leverage the capabilities of other agencies to fortify both their own and their institutions value

Proposal Planning & Writing Jeremy T. Miner, Kelly C.

Ball-Stahl, 2019-08-02 No matter whether you are approaching public or private sponsors this thorough and detailed step by step guide will enable you to plan and write winning proposals Grantseeking is always a competitive process As organizational needs outstrip resources groups turn to grants as a means of strengthening their financial footing while pursuing their missions This book draws on the authors three decades of grantseeking experiences in writing successful proposals conducting grant workshops nationwide reviewing government and foundation proposals and critiquing application guidelines for grantmakers to lead readers through the process of planning and writing successful proposals The authors first provide practical strategies for project planning including identifying sponsors matching grantseeker needs to sponsor priorities and qualifying prospects through pre proposal contacts The authors then guide users systematically through proposal writing including introducing a template for letter proposals to private foundations and corporations describing the primary elements of government proposals and providing tips for constructing a realistic budget This advice as well as the key questions to answer before you begin writing actual proposals that were declined with rejection reasons and complete sample letter proposals comprised in this volume will help both beginning and experienced grantseekers to better plan and develop fundable projects

How to Open and Operate a Financially Successful Vending Business Donna Marie

Murphy, Donald Rodrigue, 2010-11-15 Do you want to own a business that does not confine you to a desk where you are able to make your own hours and as much money as you want to work According to the U S Department of Labor's most recent statistical data the median annual income of someone in the vending industry is 29 000 and as a business owner you could make even more If this sounds like something you would enjoy and you are thinking about opening a vending business then we have a book that will answer all of your questions From start up costs to vending machine best sellers this book will be your comprehensive guide on how to make the most money in a short amount of time This complete guide will take you step by step through the process of buying new or used vending machines acquiring a previous route from another business or finding new clients of your own and how to efficiently service your machines in order to make the most money Additional information is included on buying products for your machines including how to get the most for your money and how warehouse retail stores can save you hundreds of dollars This complete manual will arm you with everything you need including sample business forms contracts worksheets and checklists for planning opening and running day to day operations lists plans and layouts and dozens of other valuable time saving tools of the trade that no business owner should be without A special section on what items typically have the highest sales in vending machines is included as well as sections on storage
