T-There are lots of ways to have good sportsmanship! Today we're going to discuss some that are true ALL the time...not just when we're playing a team sport.	T-Which rule do you think is most important? Share with your classmate partner.
Give each rule to students and read them aloud. Add them all to the anchor chart.	Give students a few minutes to share with their partners.
	Which rule is hardest for you to follow? Why? Share with your partner.
	Give students a few minutes to share with their partners.
	Can anyone share an example of a time you followed one of these?

T-Over the past few weeks, you all have learned so much about good sportsmanship. I'm so proud of the ways you all have played games fairly and shown respect.	T-It's easy to think that being a good sport is only important when we're playing on a sports team! But we know that's not true!	Pass out the craftivity pages. Each student needs one cover and the inside pages that you'd like to use.	T-We hope NOT a during!
Today we're going to talk about how to be good sports in lots of different situations!	Who can help me come up with ways to be a good sport for each of these times in our lives?	Give students out their pages out, then bring them to you (or a student volunteer) to staple them.	Accept res

Developing Personal, Social and Moral Education through Physical Education Anthony Laker, 2002-01-04 Personal social and moral development through physical education and sport is a relatively under researched area Most teaching concentrates on the performance aspect of physical education while the National Curriculum requires teachers to address a number of non physical outcomes such as learning rules teamwork cooperation and competition This timely book redresses that balance by providing classroom practitioners and student teachers with practical advice and tried and tested suggestions for activities and strategies to help them use physical education as an effective vehicle for the all round personal development of the individual Tony Laker pays particular attention to curriculum development planning units of work and lesson planning considering different types of assessment and suggestions on which forms are most appropriate for measuring programme effectiveness and the personal development of pupils the role of the

reflective practitioner and a framework within which teachers can reflect on their practice Through using an extensive range of diagrams photos and bulleted lists Laker makes this guide a concise and accessible read giving practitioners the opportunity to extend and develop their abilities in teaching this subject Celebrate Reading ,1997 Modern Methods Of Teaching Phy Vijandra Kumar,2000
